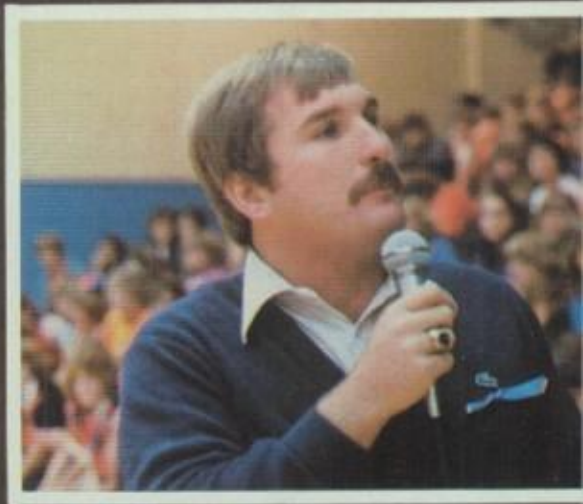
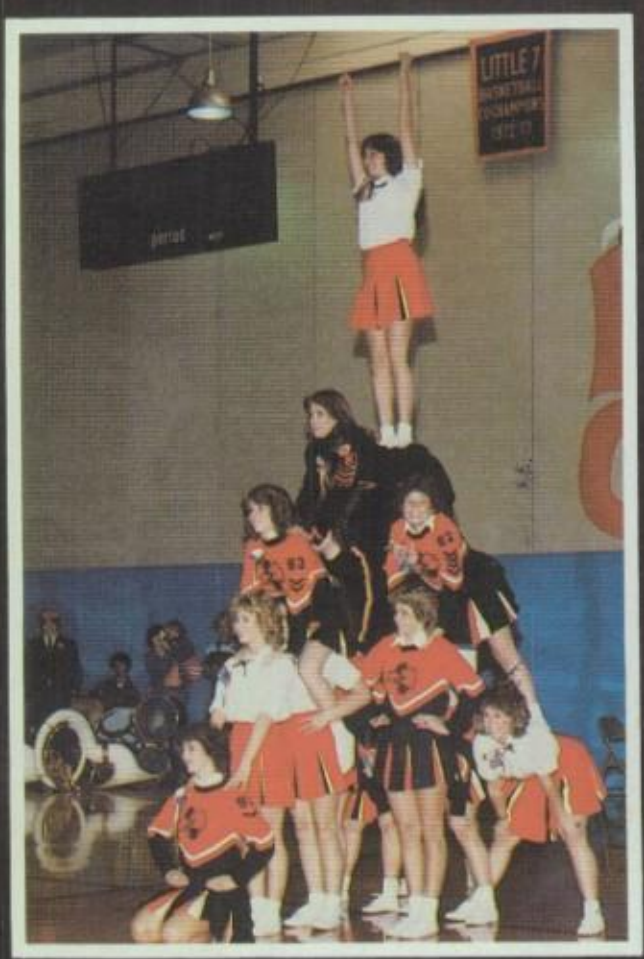
HOMECOMING 1981





OSWEGO
HIGH SCHOOL BAND

MAGIC MOMENTS

In the year of nineteen-hundred and eighty one, the sixteenth day in the month of October, the Homecoming pep assembly was held at Oswego High. The student body began the event by singing the school song to the band's rendition of "The Notre Dame Victory March." Then, a wide variety of light-hearted competitions were submitted for the student's approval; all were class oriented. The racuous crowd chanted their class cheers; then cheered their class representatives in the three-legged race, pie-eating contest, scooter race, quick-change race, and the tug-of- war. Of special interest to the young women was the Mr. Legs contest; and all were interested in the selection of Homecoming Court as well as the identities of the King and Queen. Finally, the assembly came full circle as the band once again played the march by John Philip Sousa to close the assembly.

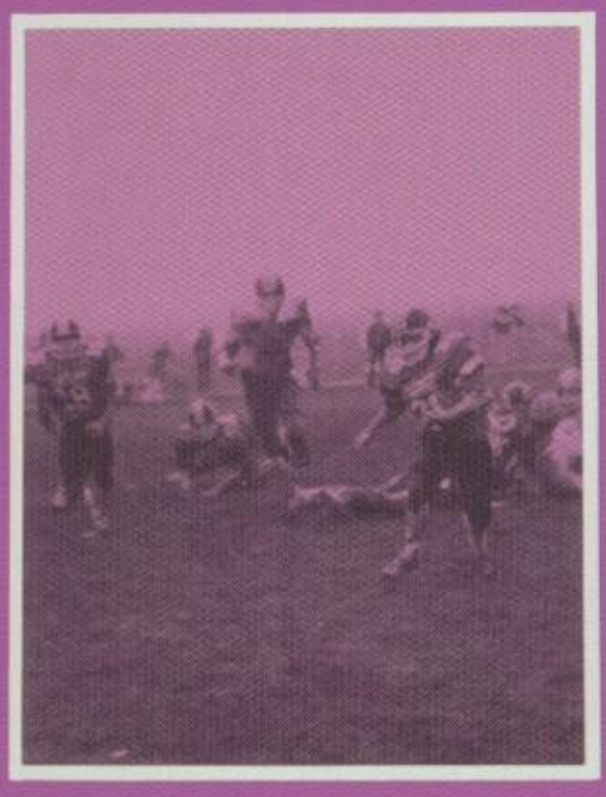
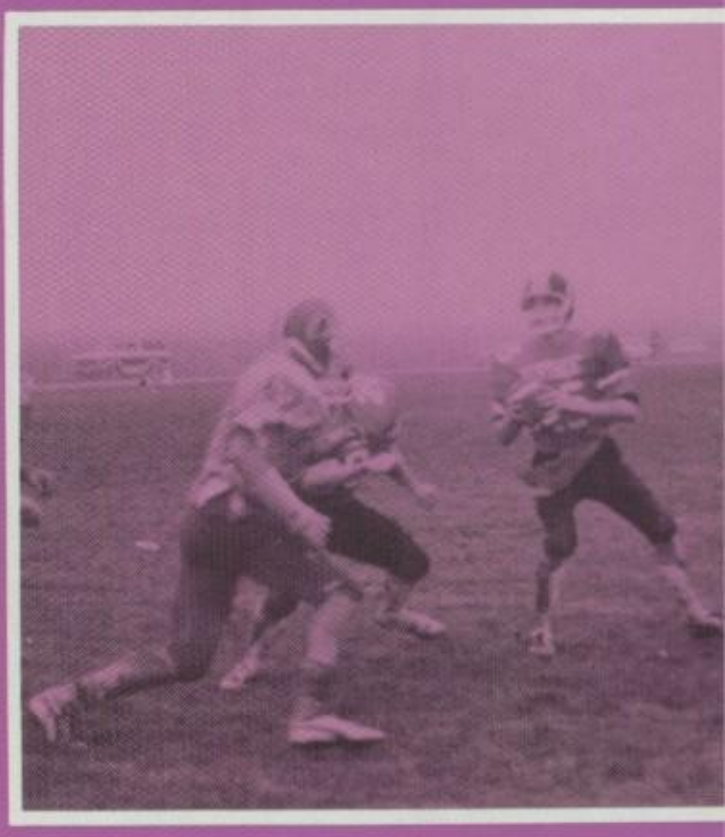
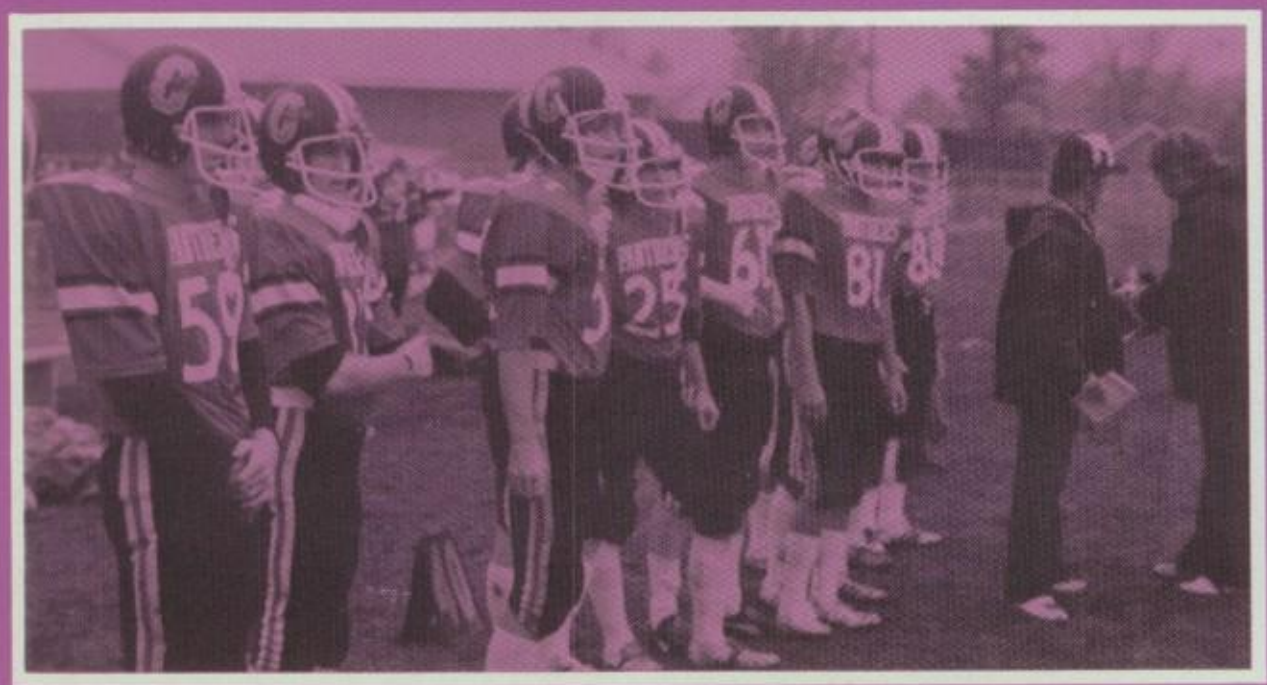
PANTHERS RUSTLE REDSKINS

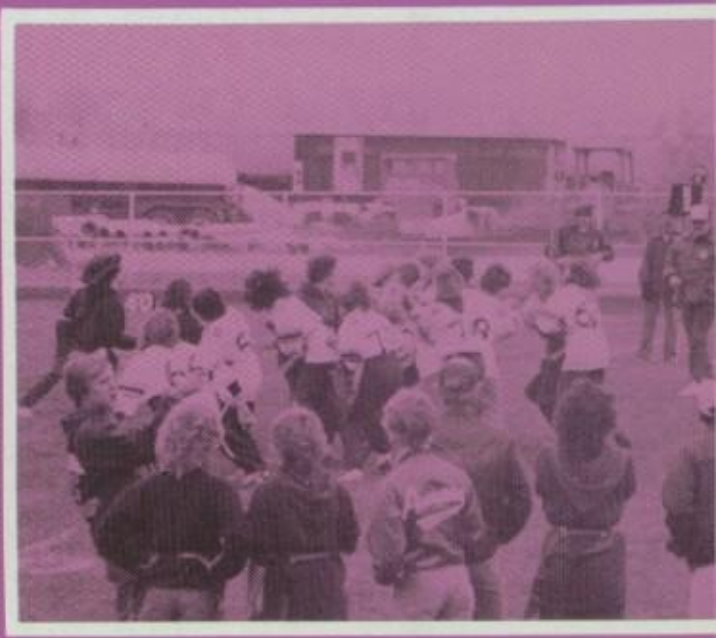
Oswego's Homecoming was held on October 17, a day that was dampened by rain. The day was started off by the Powder Puff football games at 9:00 a.m., in which the senior girls defeated the juniors, 26-0, and the freshmen were victorious over the sophomores, 6-0.

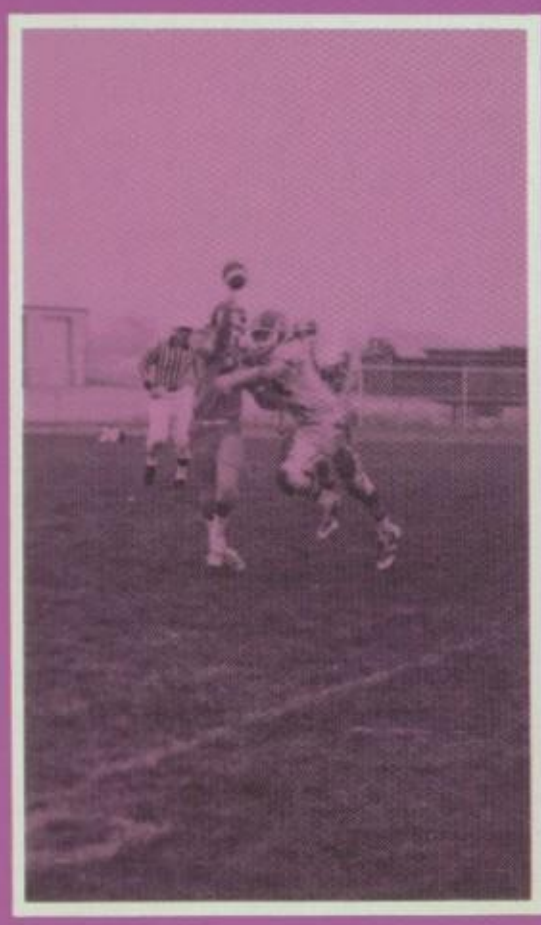
12:00 marked the beginning of the sophomore boys' game, where the Panthers put forth a valiant effort, but fell to the Morris Redskins, 27-8. The varsity contest was played in an on and off downpour, but that didn't dampen the spirits of the Panthers or the capacity crowd who braved the weather to cheer them on. Panthers put forward their best effort of the year, and very nearly upset the Redskins in a defensive battle. However, the more experienced and larger Redskins prevailed, scoring a touchdown with only 3:39 left in the game, making the final score 6-0.

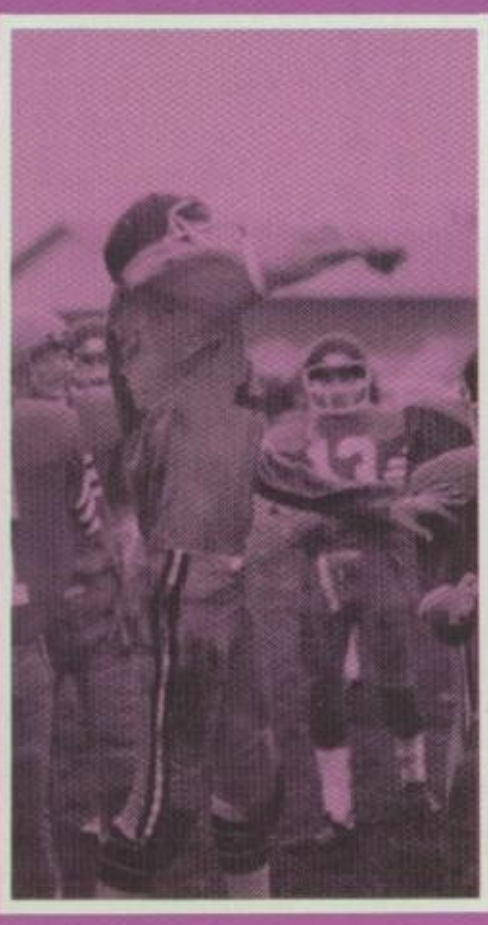


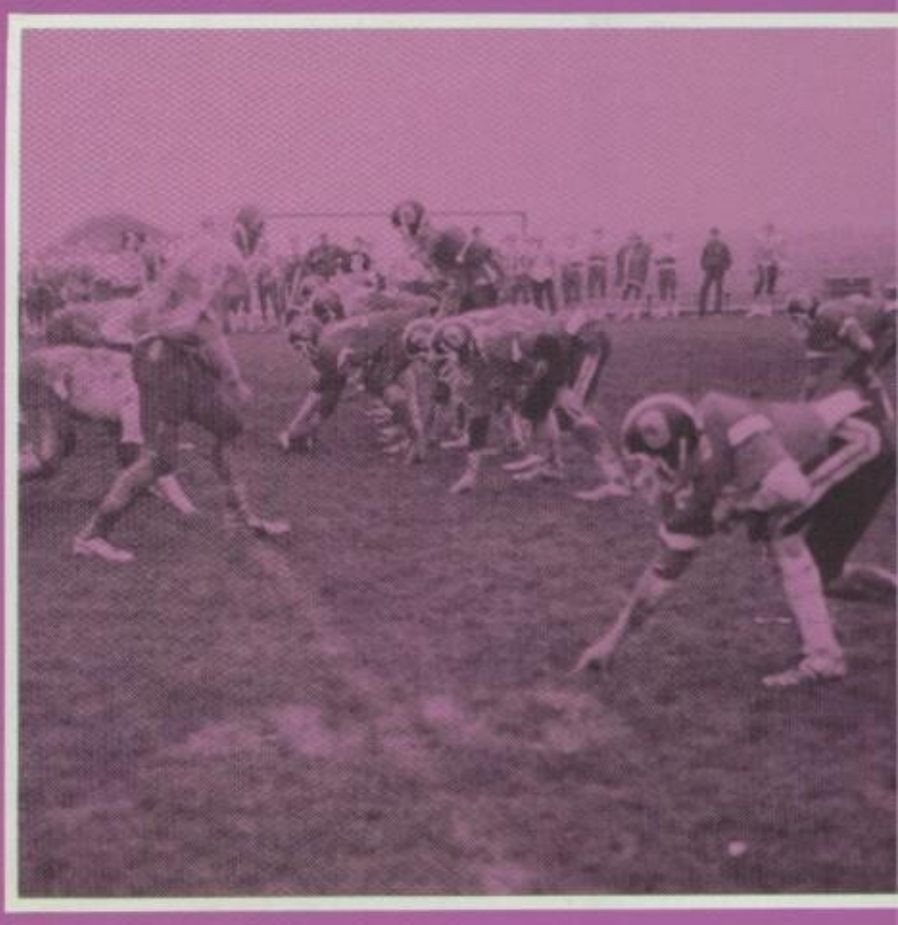


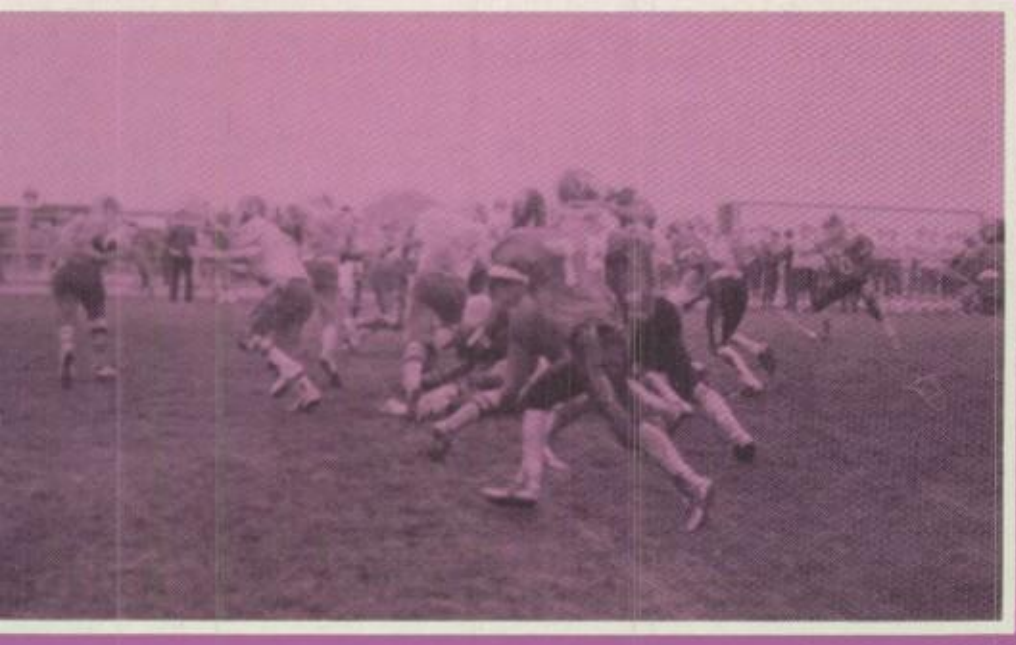


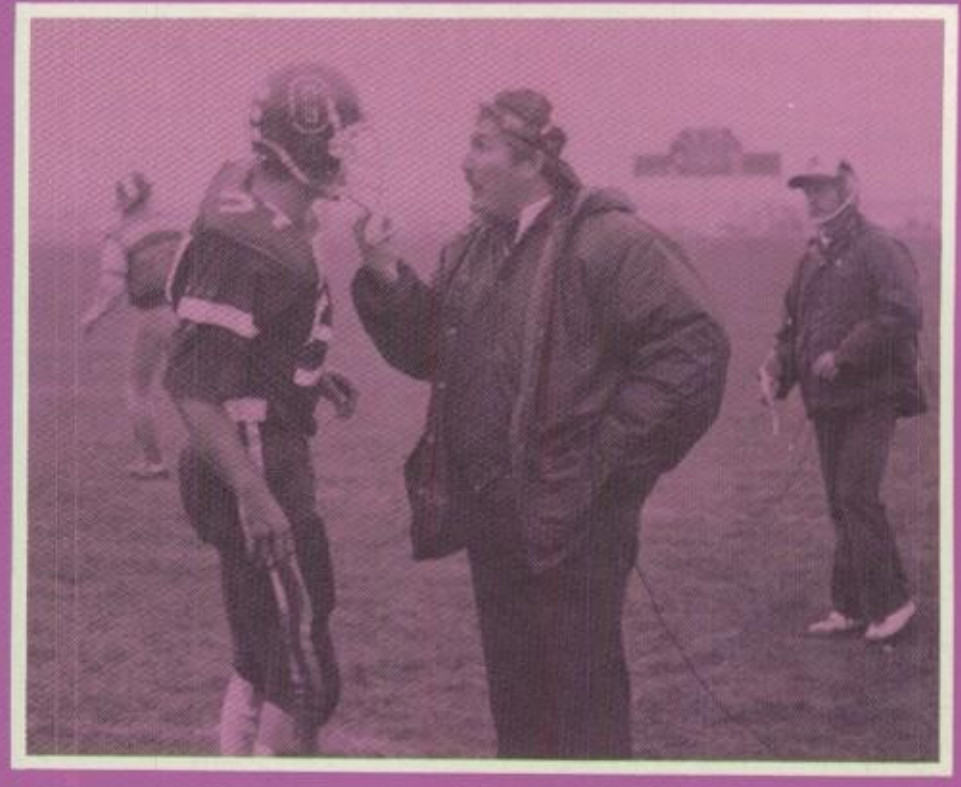


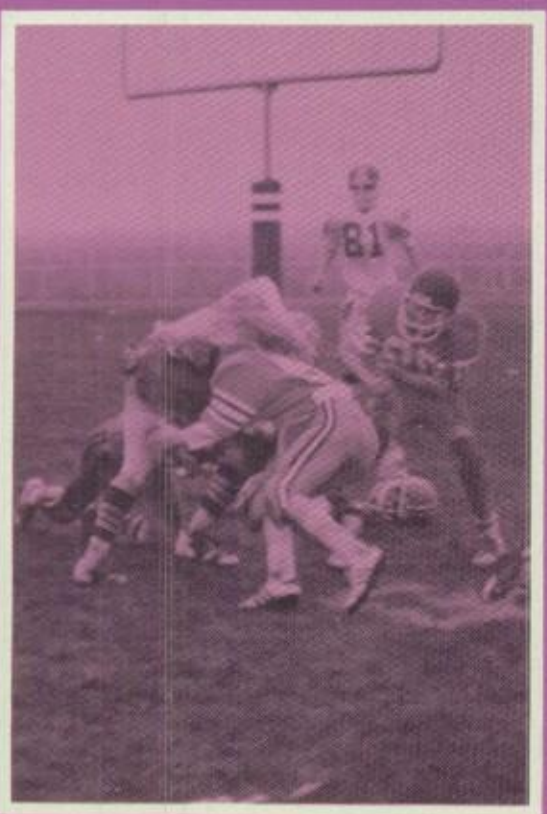


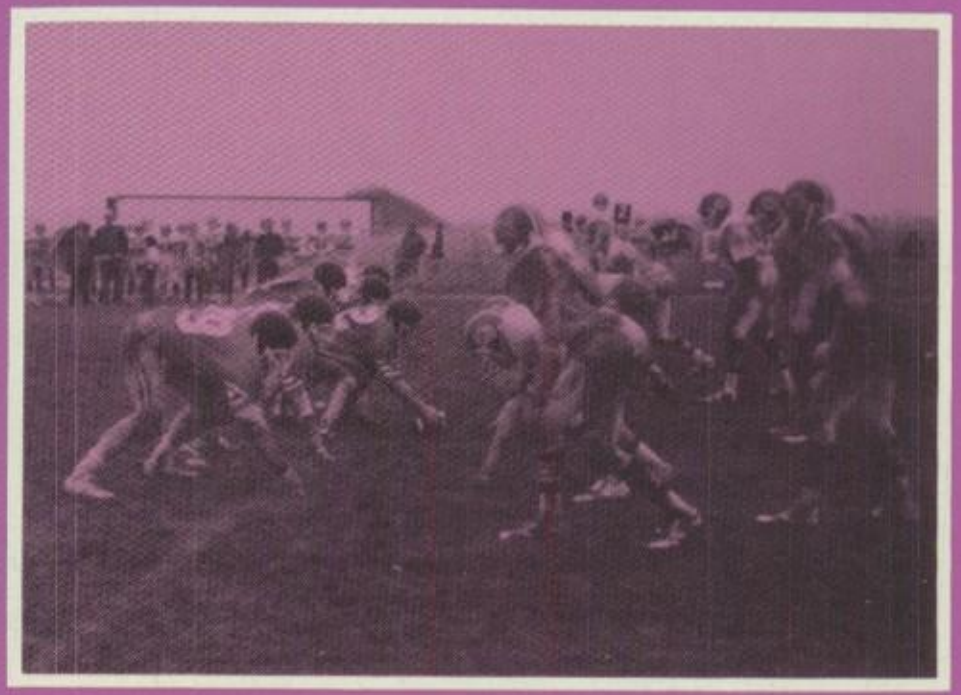


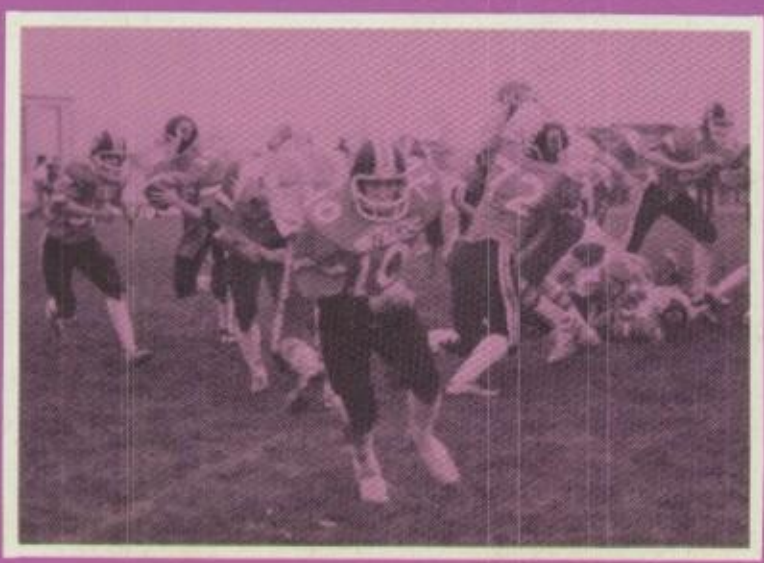


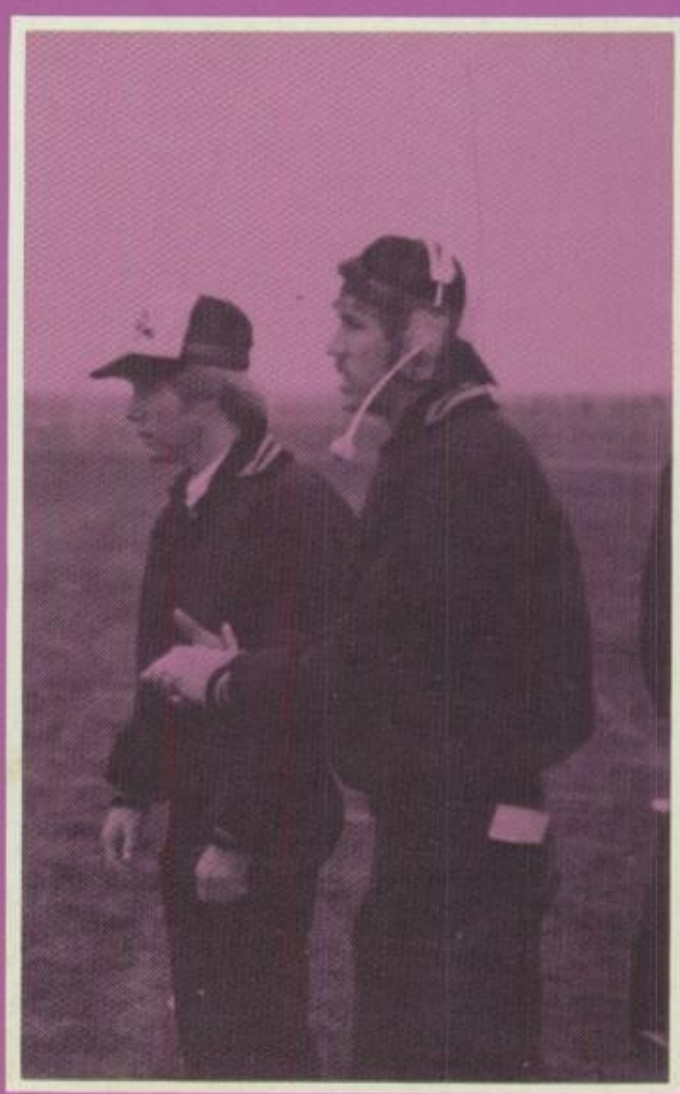






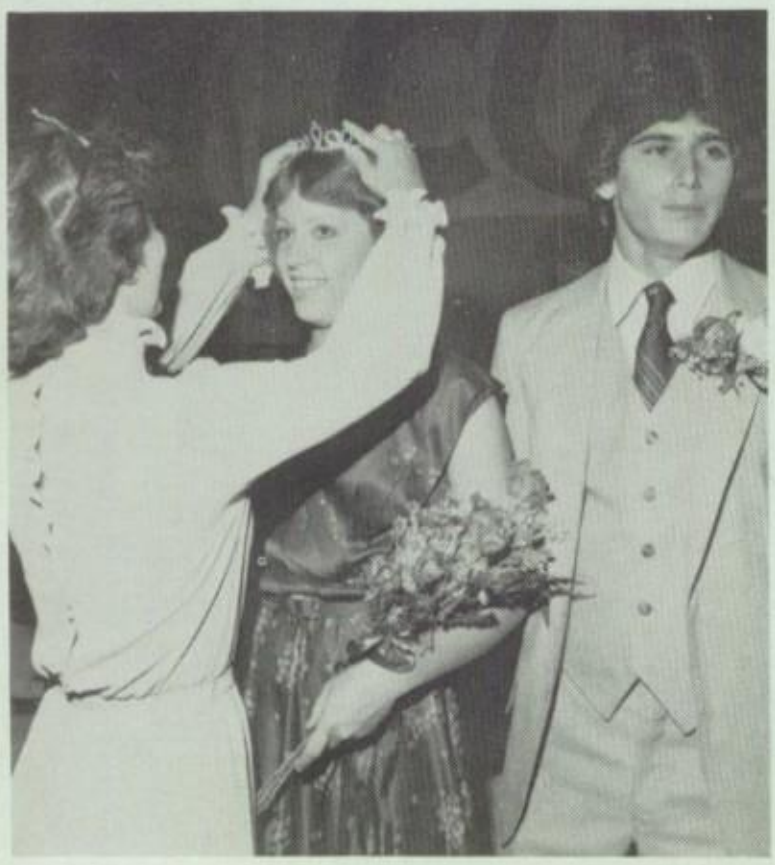






THE GRAND ILLUSION

HOMECOMING COURT, 1981: Mary Rzeppa, Robby Akerlow, Pam Jenkins, Tim Peck, Kim Jacobsen, Joe Mehlmann, 1980's King-Bruce Sellers, 1980's Queen-Sharon Pearson, 1981 Queen Lisa Hart, 1981 King Dirk Koomjohn, Annette Skouras, Greg M maw, Patty Ochoa, Robbie Wincheski, Cati McEachern, Sean V ren.



The theme of this year's Homecoming Dance was The Grand Illusion. It was held on October 17 from 8:00-11:00 p.m. in the Oswego High School gym. Multi-colored balloons decorated the halls and filled the gym.

The music was provided by the band Sierra. The crowning of the 1981 king and queen, Dirk Koomjohn and Lisa Hart, took place at 10:00 p.m.

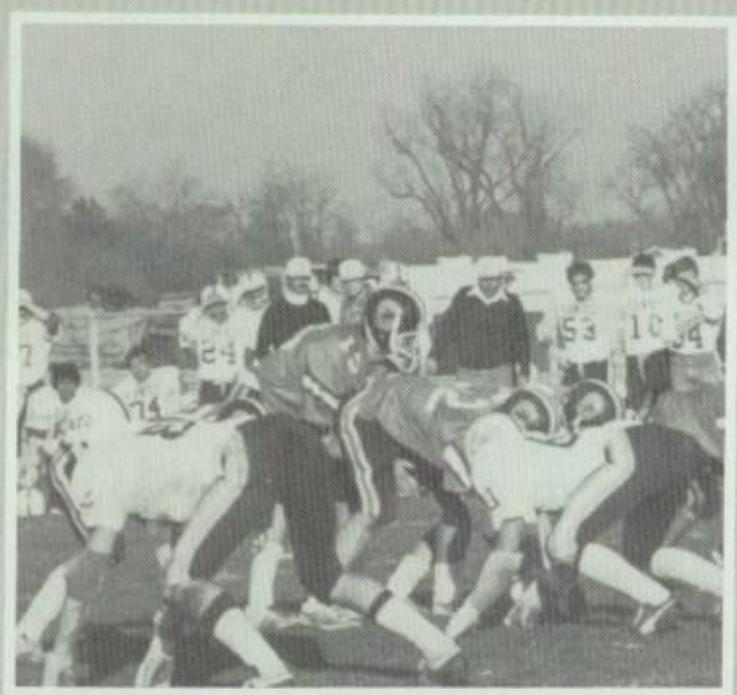
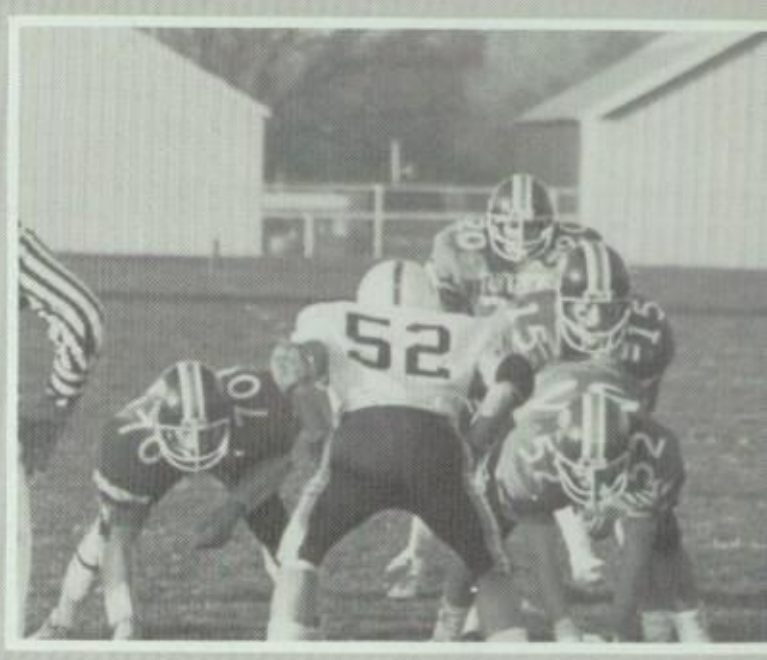
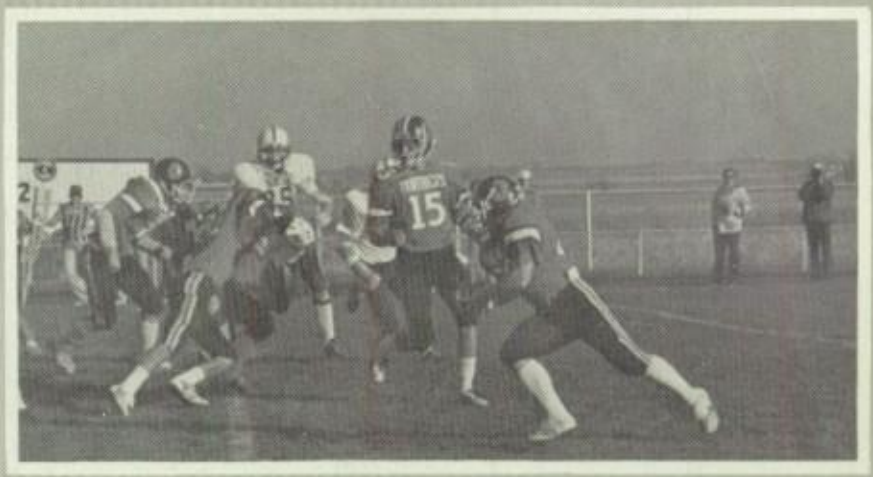
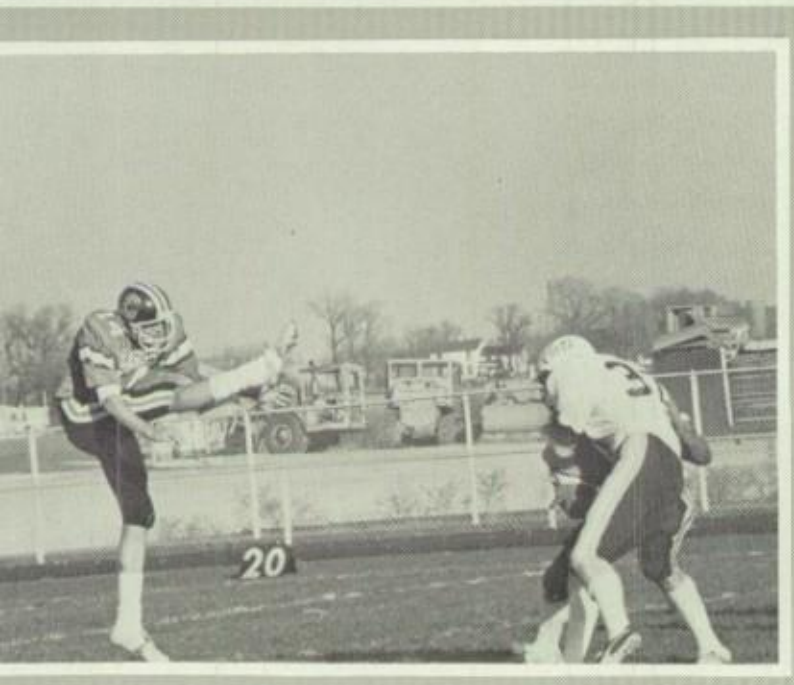
VARSITY HANDLES HARD-FOUGHT SEASON

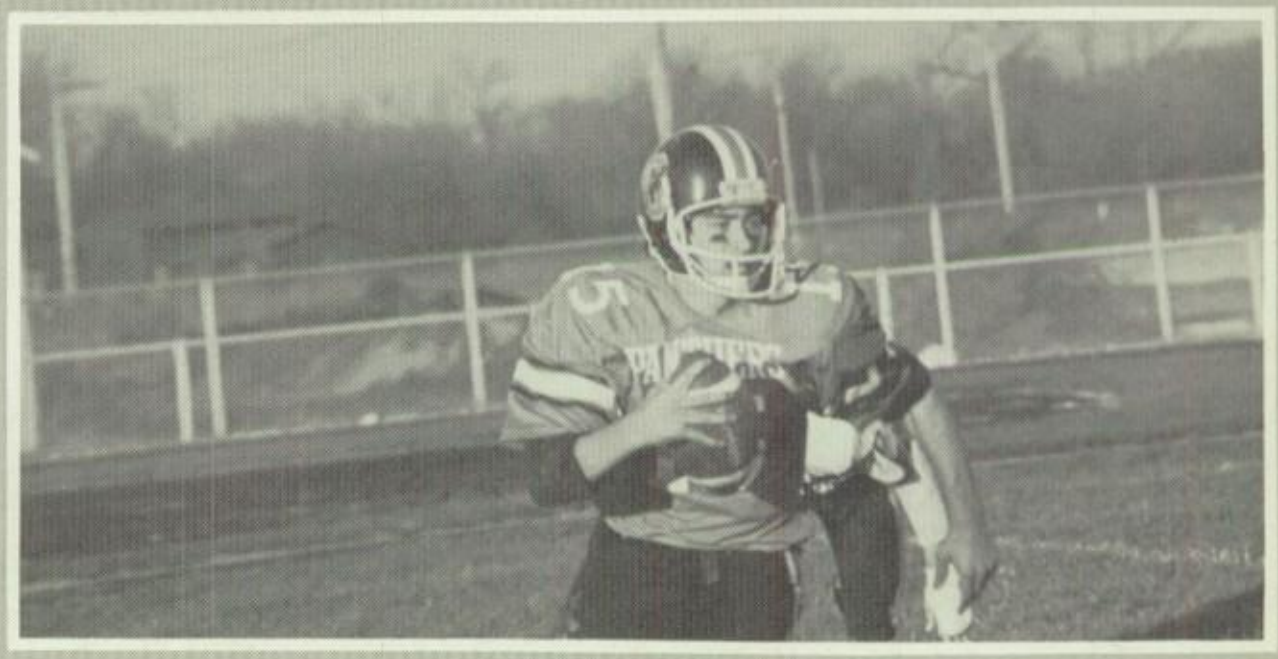
Oswego High School Varsity Football team made great advances on the road to rebuilding the team. With only ten seniors, the team relied heavily on underclassmen. These young men received a lot of playing time and gained the experience necessary to compete in our conference. With this nucleus returning and finding replacements for our graduating seniors, we hope that football will become an important and very positive function for the young men who play and for those who cheer our team on.

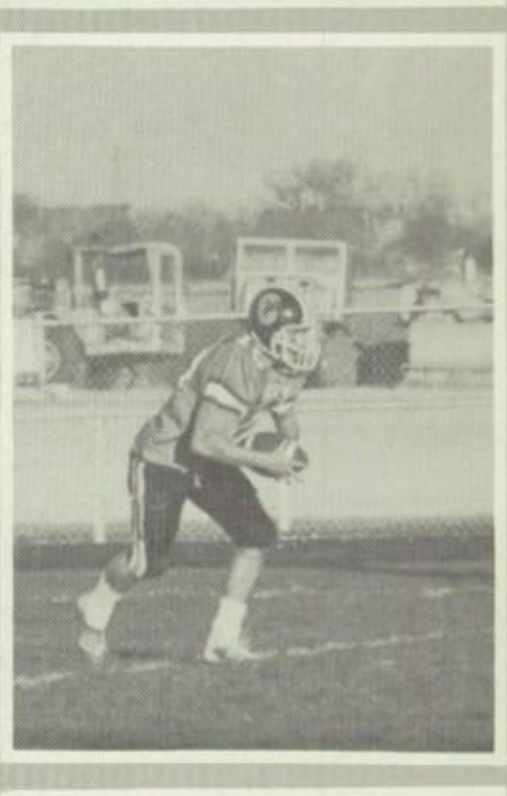






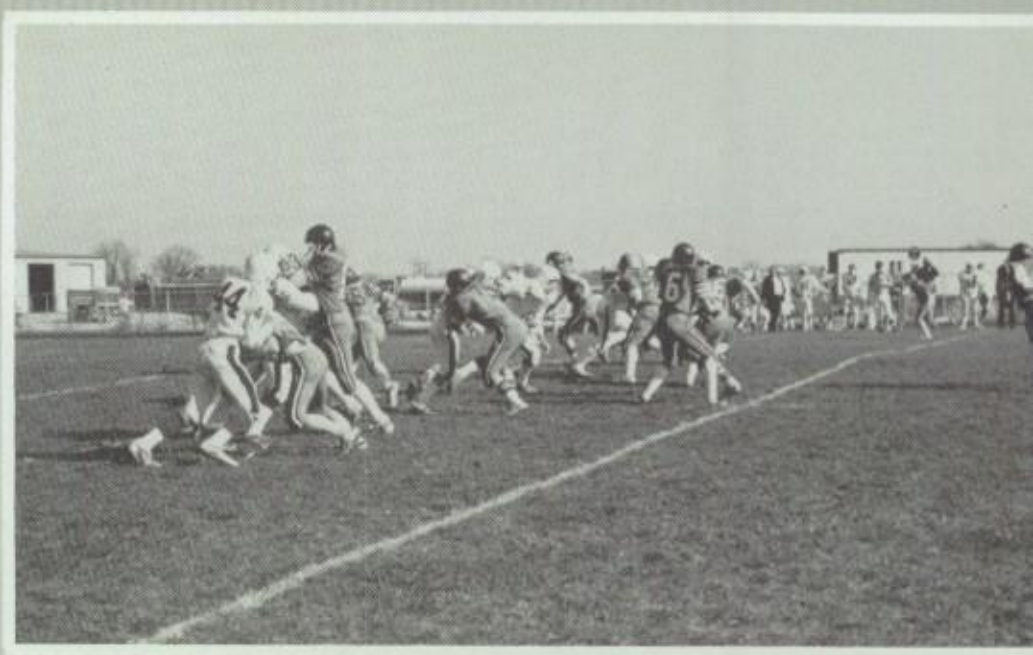


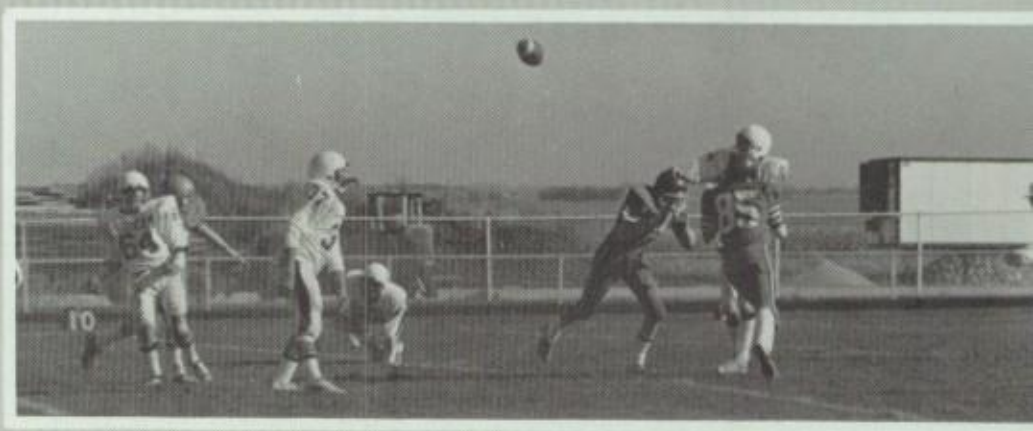


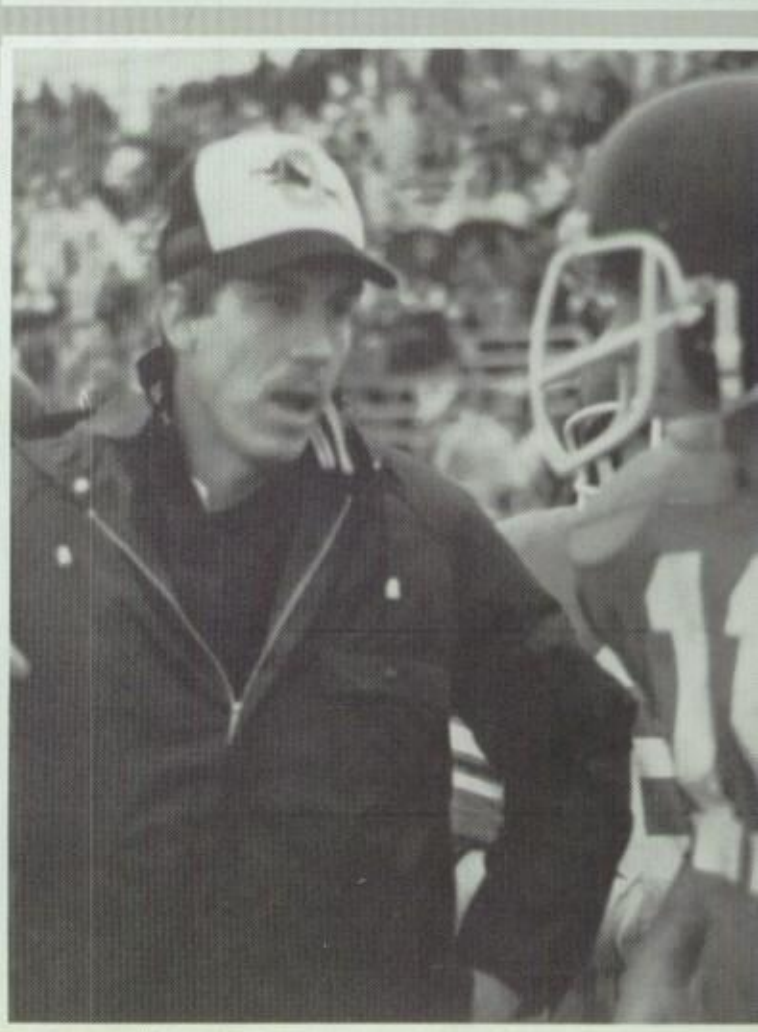


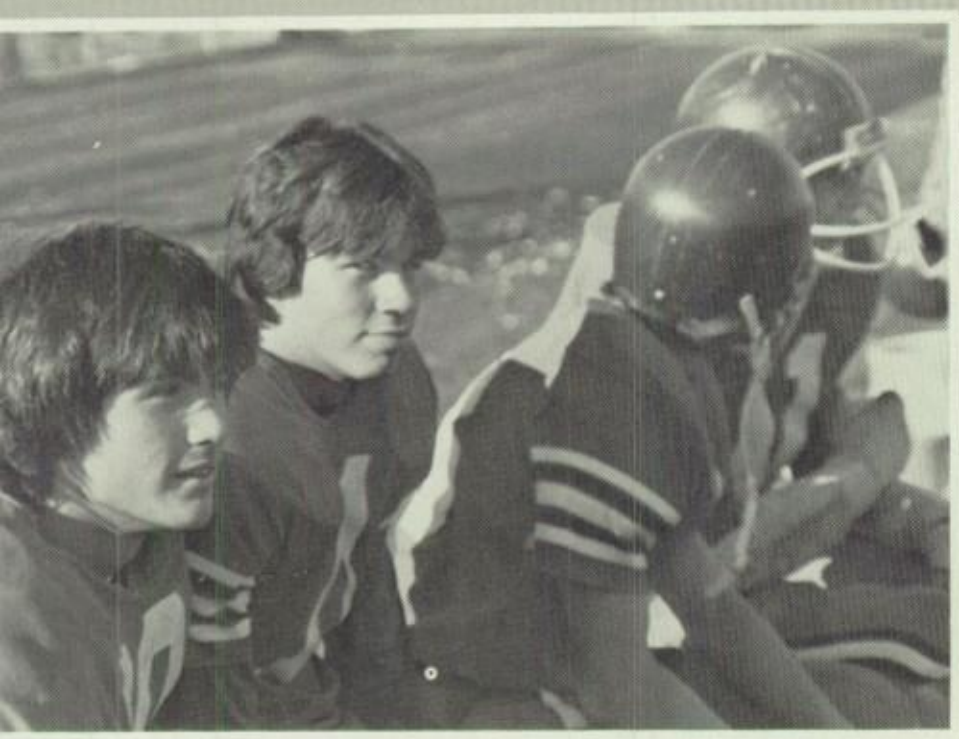
FROSH-SOPH PASSES TOUGH SEASON

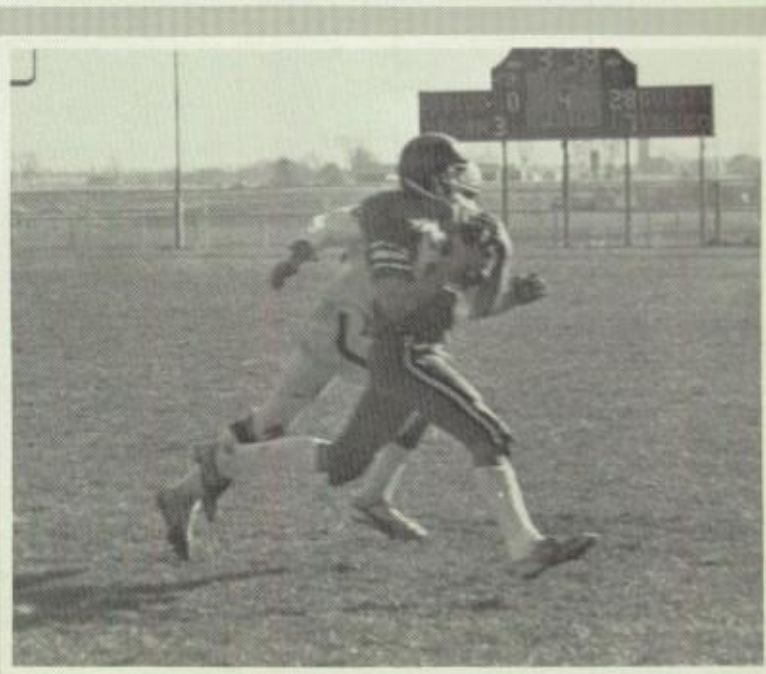
This year's frosh-soph football team, under the direction of Coach Fred Miller, was a total combination of all the freshmen and sophomores. This group of young men stayed together and came a long way as a team as the year developed. Together they learned fundamentals that will help them in their years to come as varsity players. The team provided a starting ground, where these young men were able to compete and develop their talents. Through hard work and dedication this team can help turn the tide in the Oswego Football Program.







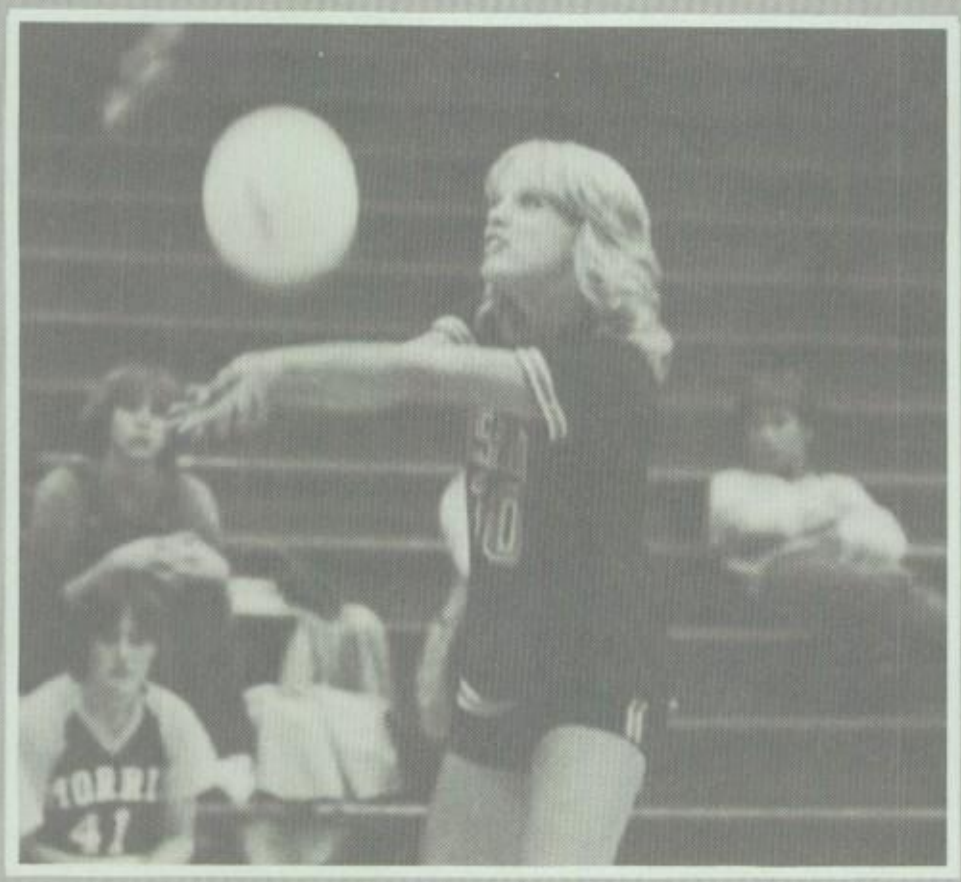


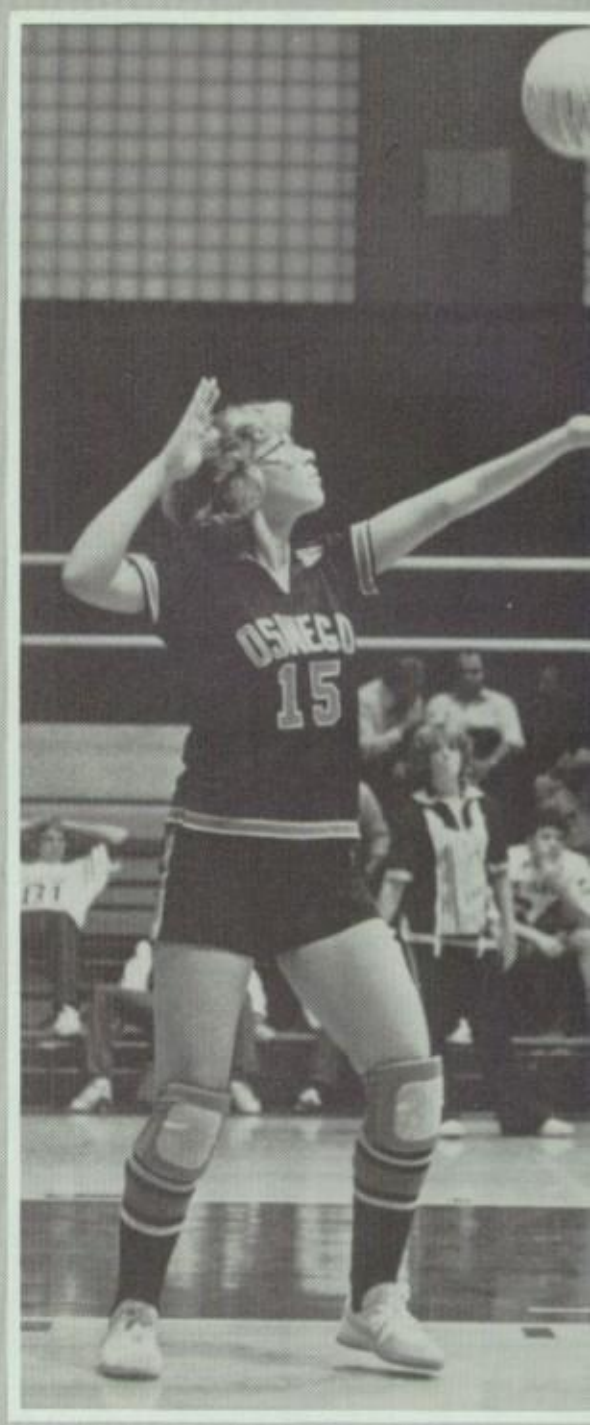


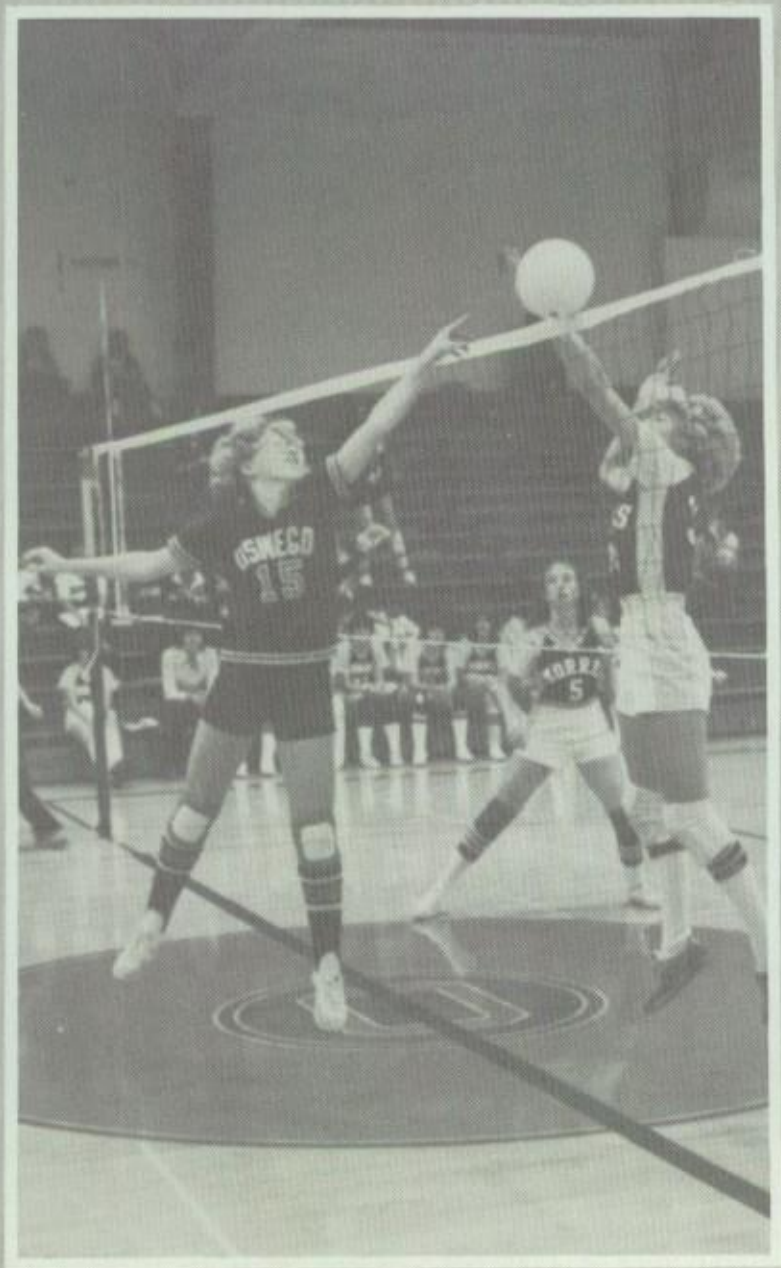
VOLLEY-BALL TEAMS SERVES UP A FINE SEASON

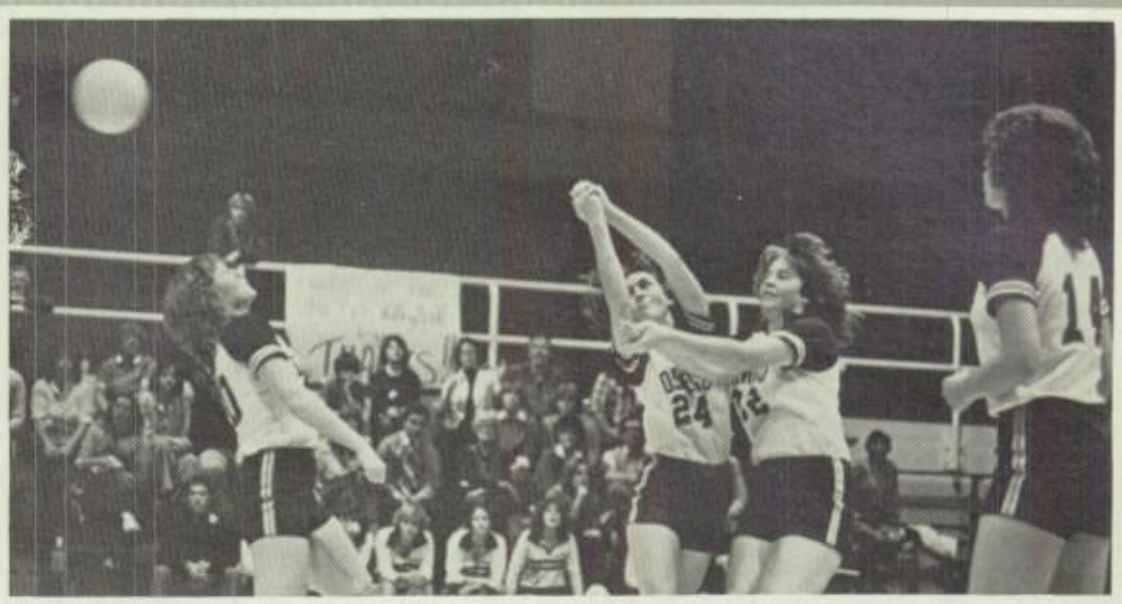
With one sophomore, seven juniors, and only three seniors the Varsity Volleyball Team was rebuilding this year and are looking forward to a strong team next year. The highlight of the conference season was a victory over a strong Sycamore team in two straight games. Most improved player of the 1981 season was sophomore Sally Toma and captain of the team was senior Kelly Reidy. Kelly was chosen unanimously to the All-Conference team for her spiking ability. Junior Tami Silvius was given special mention as a setter. Experience of the returning varsity players and added depth from the sophomores and possibly a few strong freshmen makes the team outlook bright.

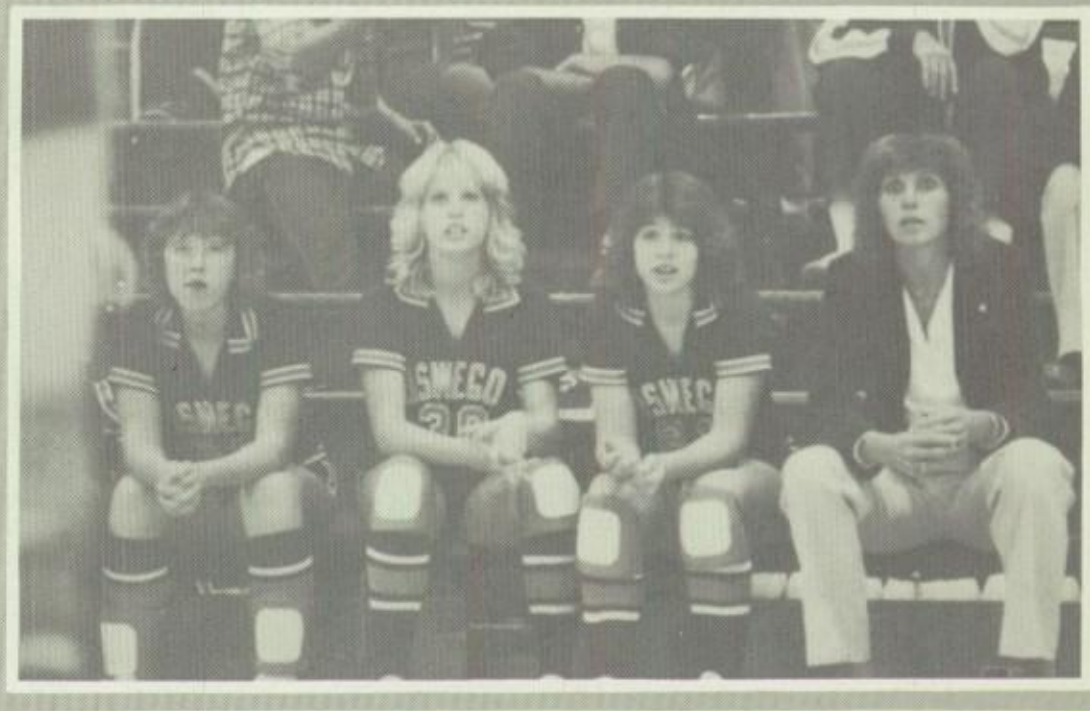
The Frosh-Soph Panther Volleyball squad, coached by Mrs. Linda Keely, got off to a slow start in the "Little Seven Conference", losing four of their first six conference matches. But, with a lot of hard work and dedication these young ladies outplayed the same opponents and ended the season with a .500% mark in conference, winning seven and losing seven. Overall the Frosh-Soph squad ended regular season with wins and eleven losses. This group comprised of ten freshman and five sophomores should bring some promising talent and experience to the varsity squad for the upcoming 1982 season. "Good Luck Ladies!"

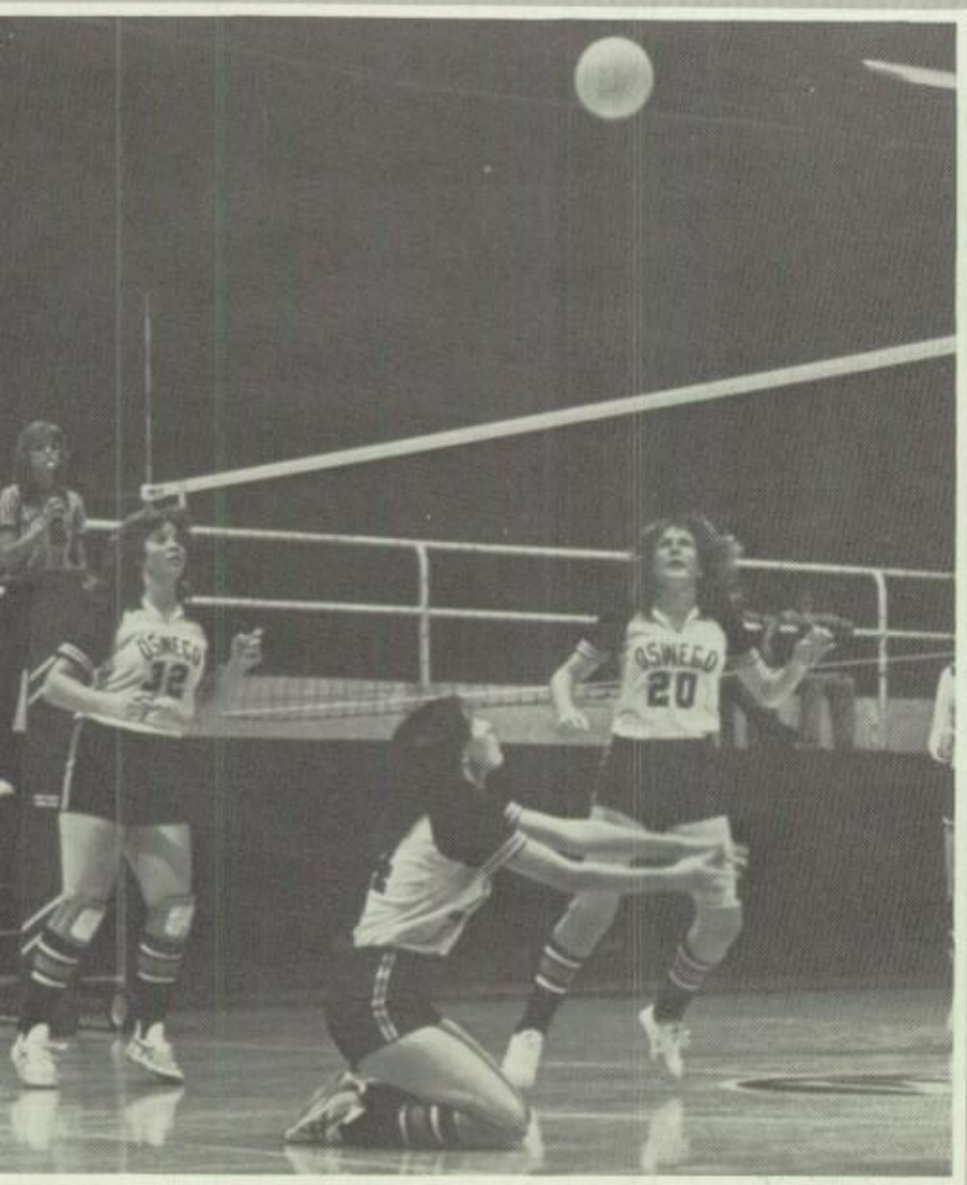


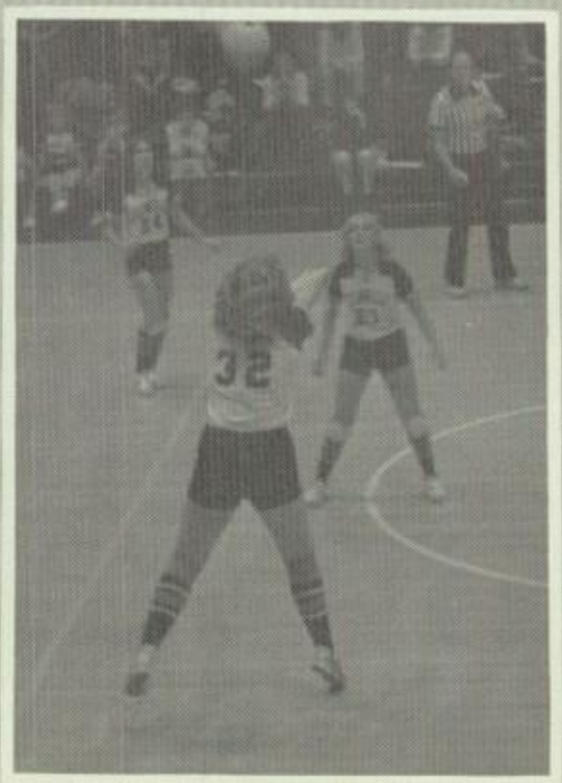








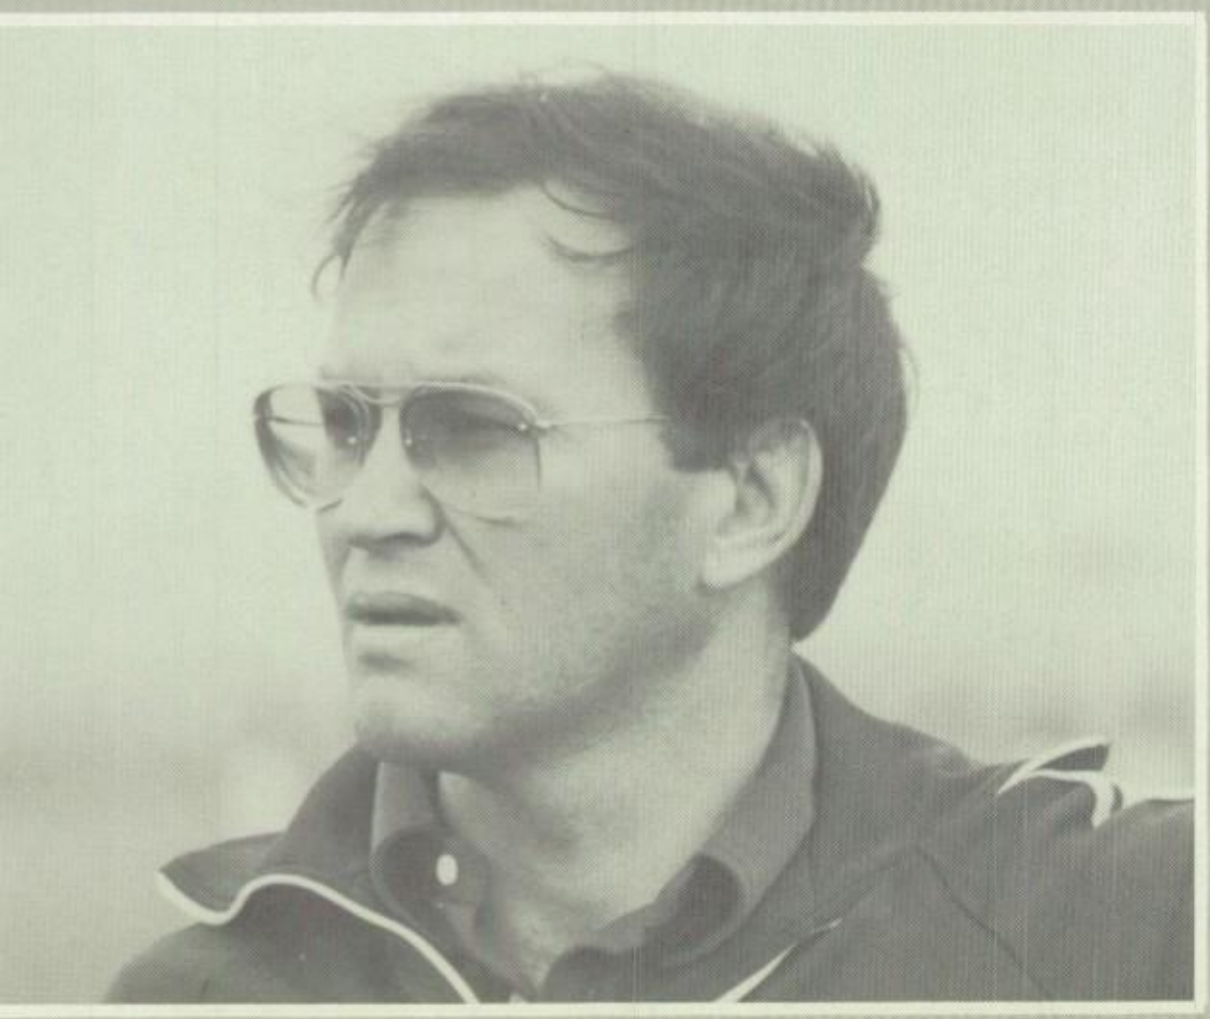




CROSS COUNTRY CONTINUES WITH A SUCCESSFUL SEASON

The fall marked another successful Cross Country season as the Varsity Boy's were 13-1 and Frost-Soph 10-4. Again the Varsity swept the little Seven Crown making it 8 straight in a row. The team was led by a talented group of Juniors as Mike Samuel led the charge. With 4 of the top 5 being Juniors, it appears Coach Sammons' team should be recognized downstate next Fall. The last 9 years, the Varsity has had a 109-11 record under Coach Sammons.

Top awards were presented to Varsity Most Valuable Runner, Mike Samuel, and Most Improved, Ed Kral. The top Junior, Mike Samuel and top Senior Kirk Koomjohn, also received awards. On the Frosh-Soph team, top Sophomore Jeff Barnwell and top Freshmen, Lee Fromherz earned their awards.



INCREASING NUMBERS IMPROVES GIRL'S TEAM

The Girls Cross Country team continued to improve from year to year. This being the second year for Coach Sammons, the Females just barely missed a trip to state. Next year could be the one where the Boys and Girls make the trip as Junior Brenda Sheets leads the pack. Highlighting the season was gaining second at Districts by winning to teams they had lost to previously. Brenda Sheets was awarded as top female runner.

SEASON ENDS; MEMORIES REMAIN

The 1981-82 Pantin' Panthers were characterized by steady improvement and "A Never Say Die" attitude. Although they were only 3-8 at Christmas time, the Panthers went on to record 10 victories against 5 defeats during the remainder of the season highlighted by a come from behind victory over LaSalle-Peru and a near miracle against Ottawa in the Regional Finals.

They had a Season Record of 13-13 and their Conference Record was 8-6 and they tied for 3rd. Rick Nelson won the title of Most Valuable Player along with Free Throw Leader (72%) and Rebound Leader. (250). Brett Sheets led in the number of charges for the season (16). Leading in the most assists Ron Robinson gained a total of 92 on the season and Ron was also voted Most Improved Player. The most supportive team member, Sean Warren, was voted the First Pantin' Panther.

"The team and I were literally amazed by the number of fans who had traveled many miles to cheer us on at the Ottawa Class AA Regional" ... "In retrospect, it has been very rewarding to live in the Oswego Community, where so many fine and loyal fans followed us to our last stop."

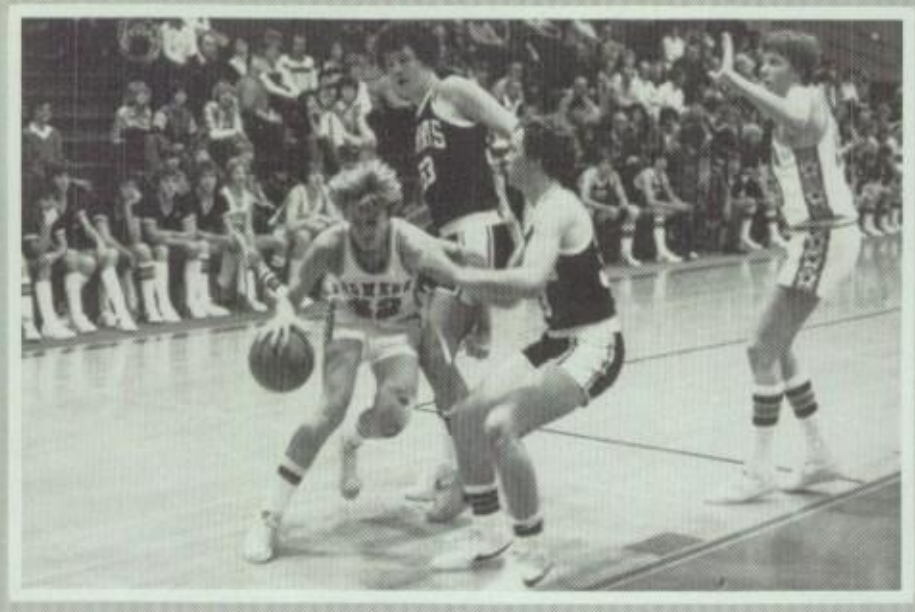
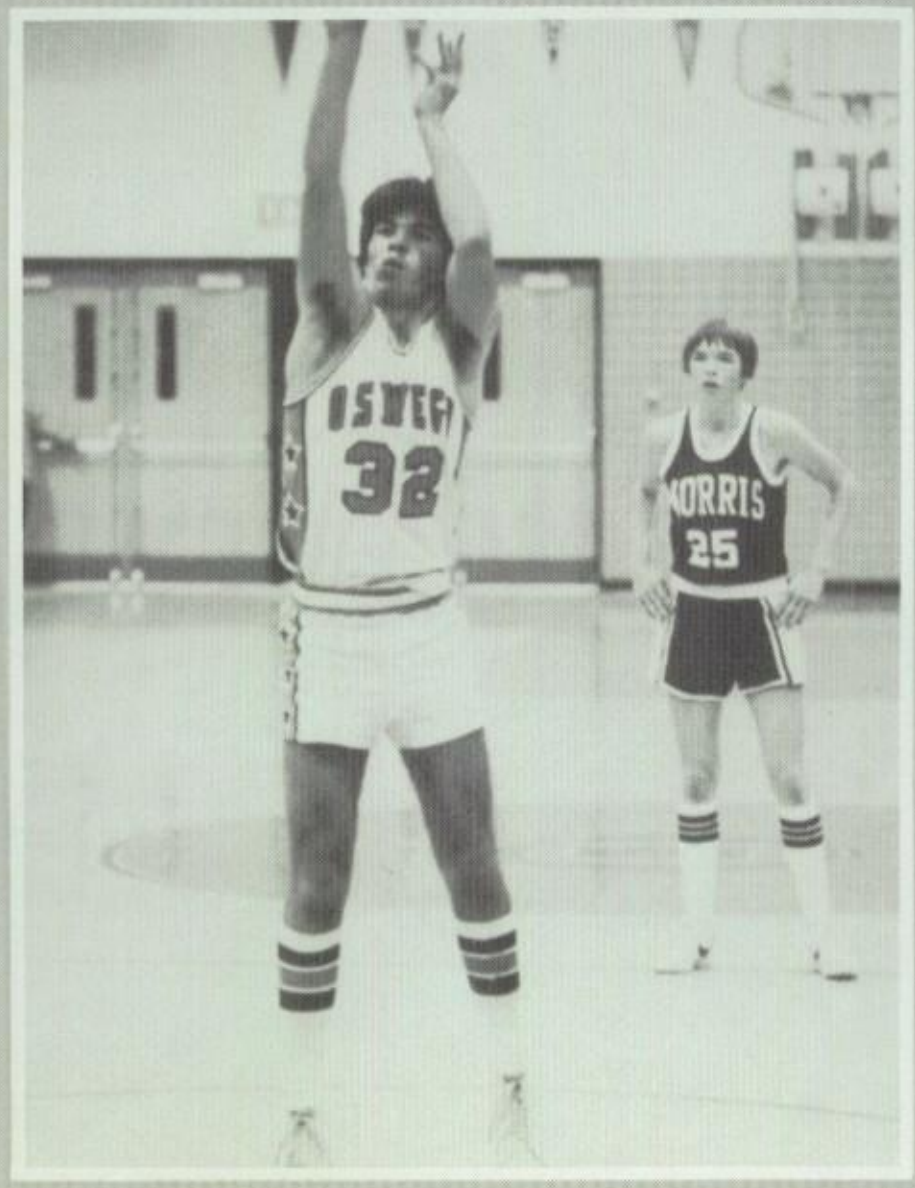
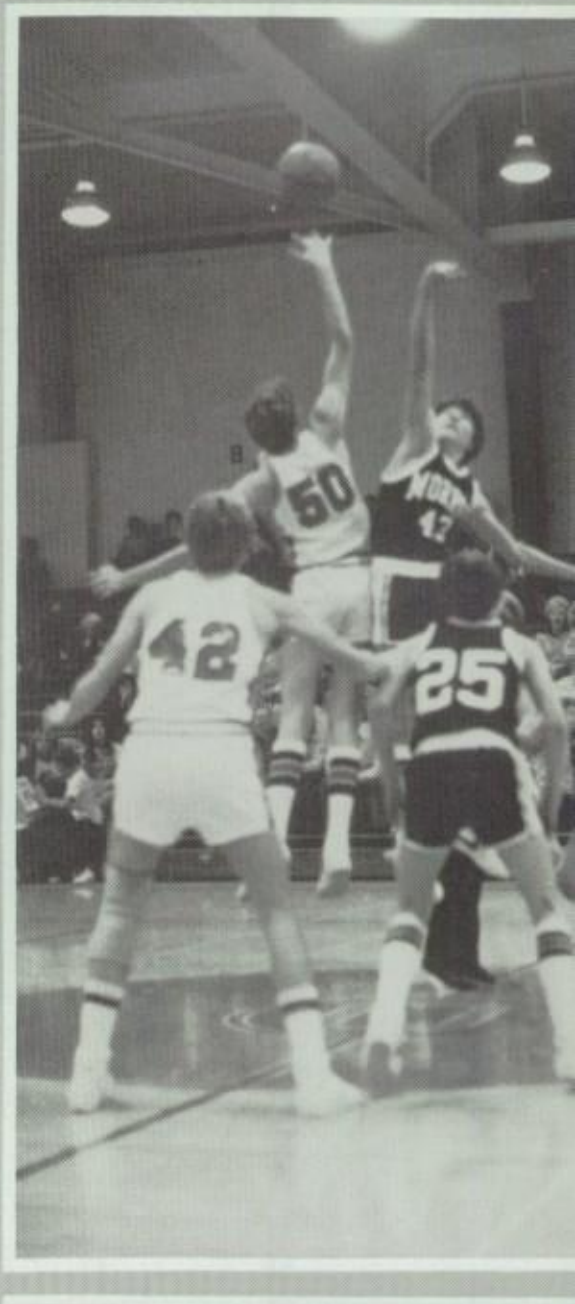
SOPHOMORE CAGERS CONQUER CONFERENCE

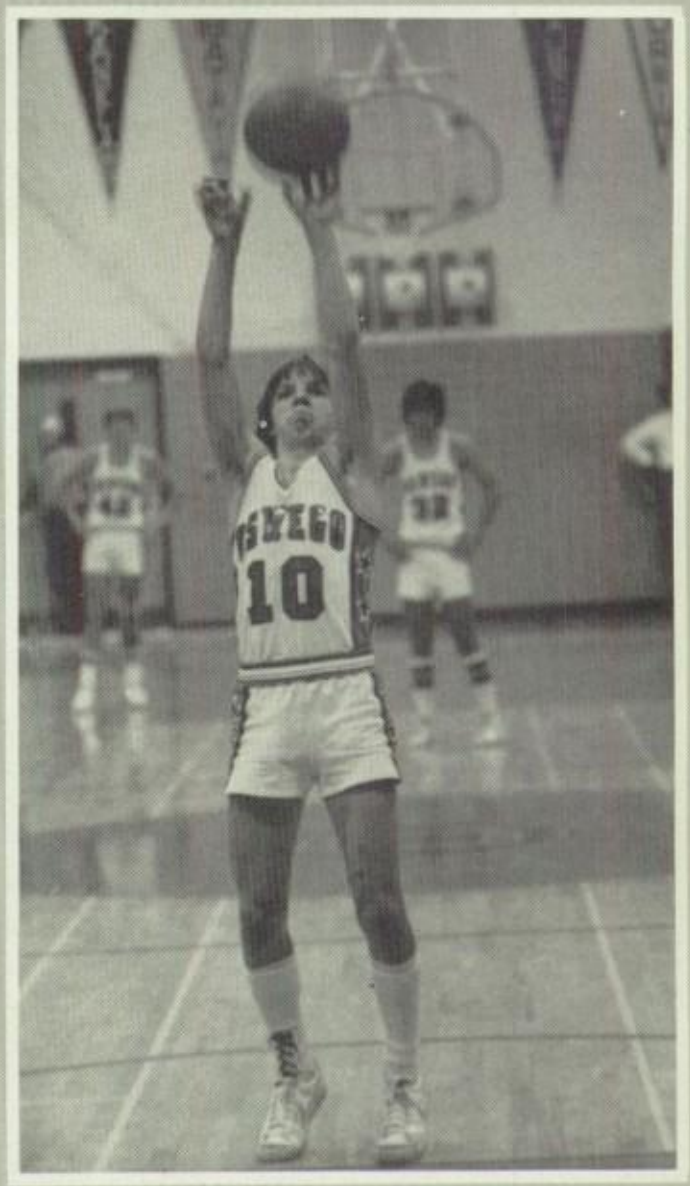
Oswego's Sophomore Boys Basketball Team had a very successful season in 1981-1982. They were Conference Champs with a record of 13 wins and 1 loss. Their overall record was 16 wins and 6 losses. The Sophomore Panthers started out the year very slowly and after Christmas their record was only 5-5, but they won 11 out of 12 games. The highlight of their season was their overtime victory over Sycamore late in the season when the 2 teams were tied for the Conference Lead.

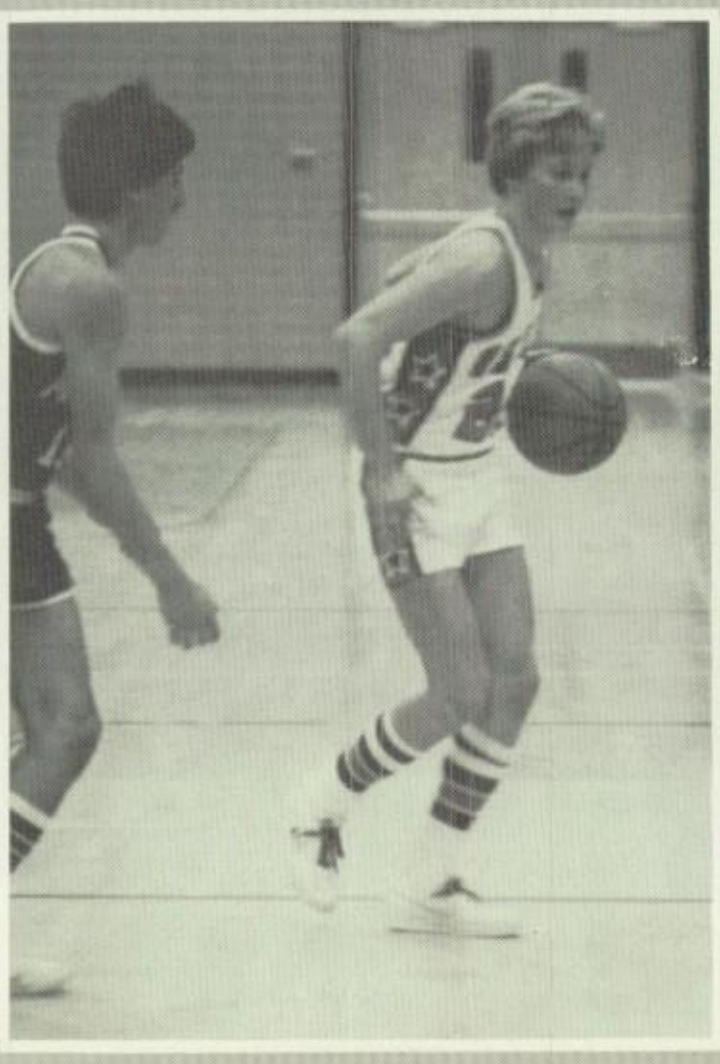
Coach Nelson felt the key to the success was the closeness of the group of players. The players were close friends both on and off the basketball floor. Great things can be expected from these young men over the next two years.

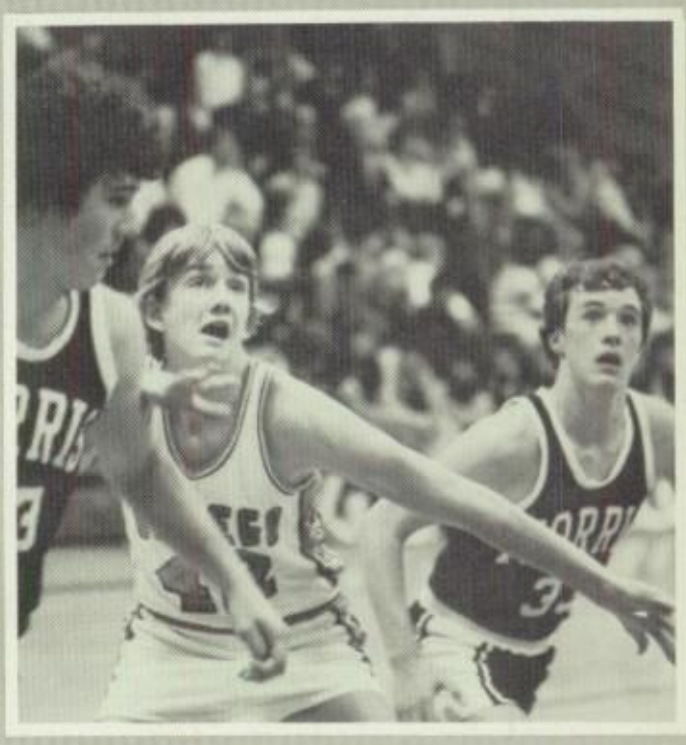


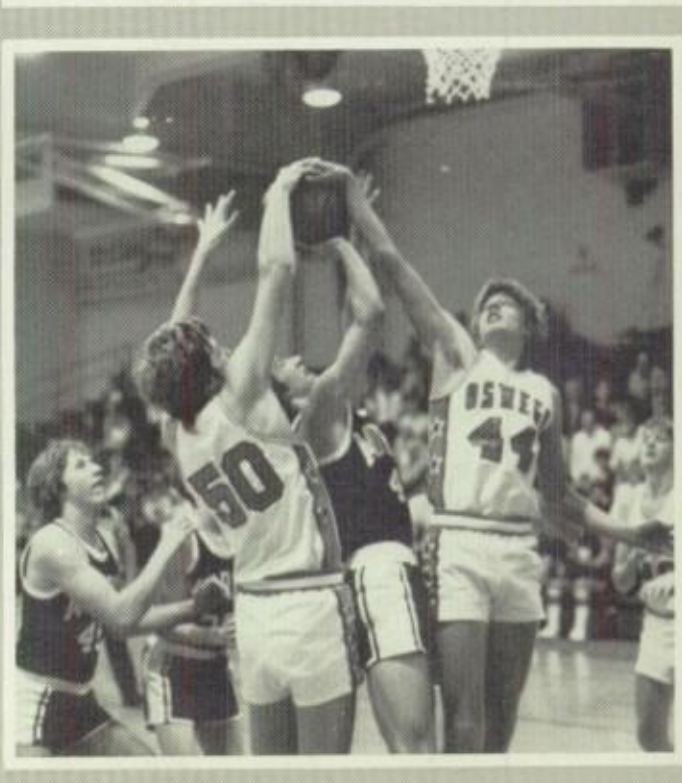












GIRLS' SPIRIT OUTWEIGHS LOSSES

The Girls Basketball Team completed the 81-82 season with a 6-15 record and a 6th place LSC finish.

The season was one of initiation to varsity basketball for 10 of the teams 12 members. A main goal was to gain experience and to develop confidence.

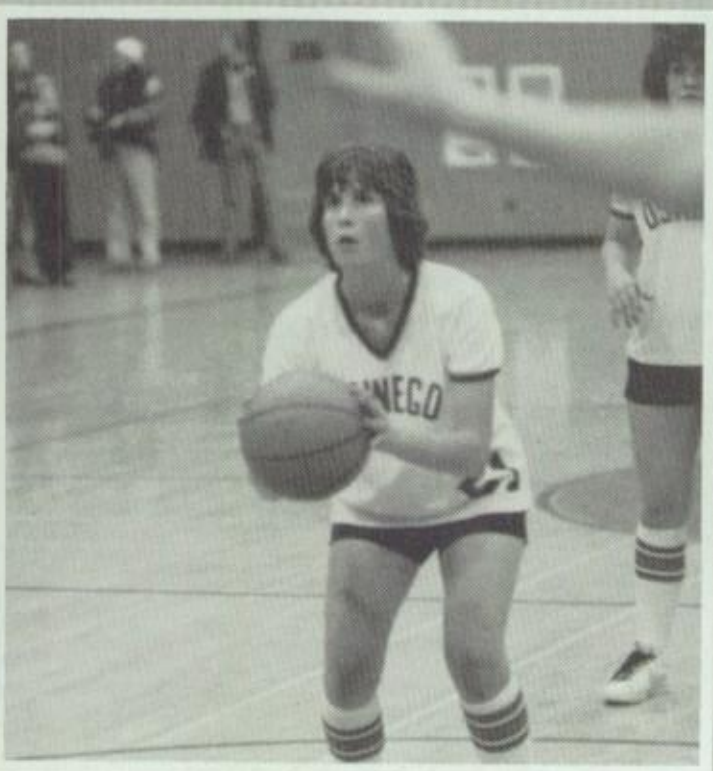
Kelly Reidy led the team in all areas: 16 pt. scoring average, 7 rebound average, 42% field goal percentage and 63% free throw percentage. She was also the teams captain and Most Valuable Player, as well as a unanimous All Conference Selection.

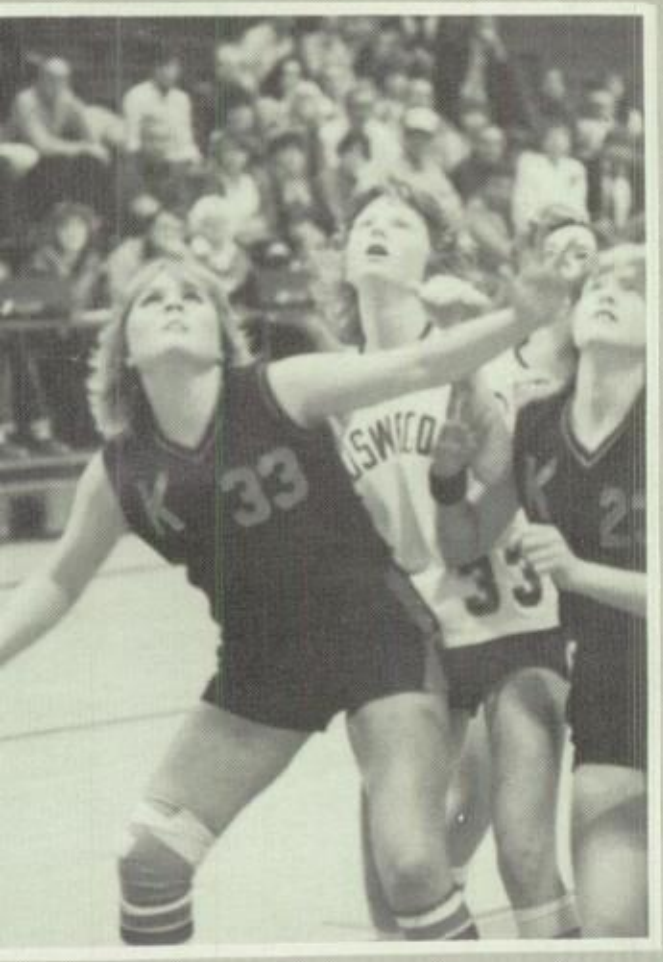
The team was coached by Mary Kant.

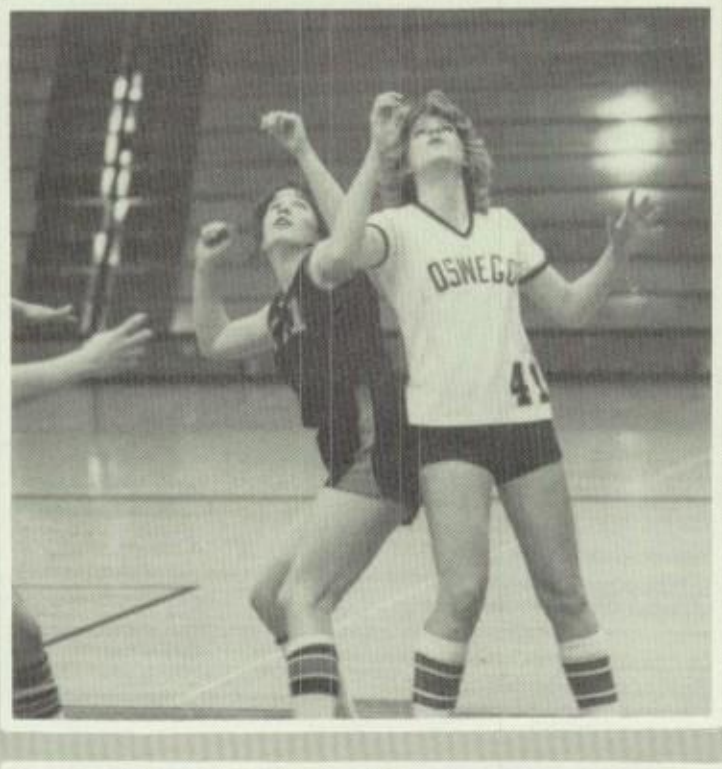
The frosh-soph girls basketball overall record was 11-7. Their finishing conference record was 8-6, with a tie for third place. They lead their conference in scoring.

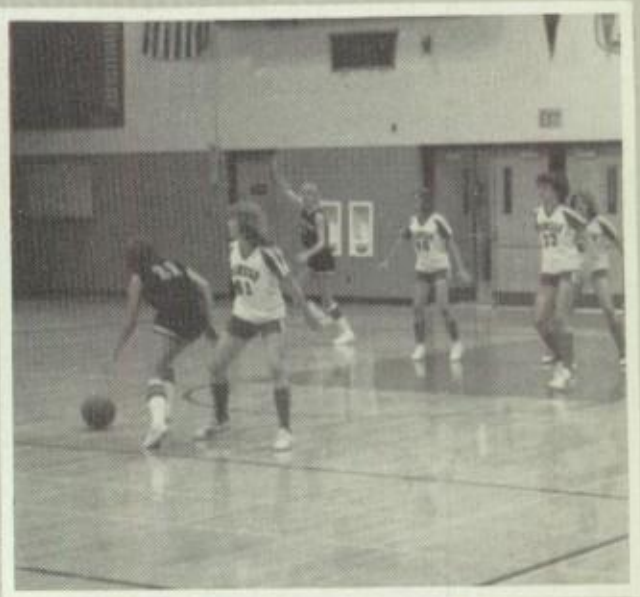
The team members scoring the most points were Kim Sheets, she also accumulated the most steals. Kim Schultz ended the season with the best free throw percentage and most assists. The team member with the most fouls was freshman, Dawn Coddington. Another freshman, Margaret Scheller, also was a team leader with the most offensive rebounds. Betsy Shaw completed the season with most defensive rebounds and total rebounds.

The team was coached by Dan Hoefler.









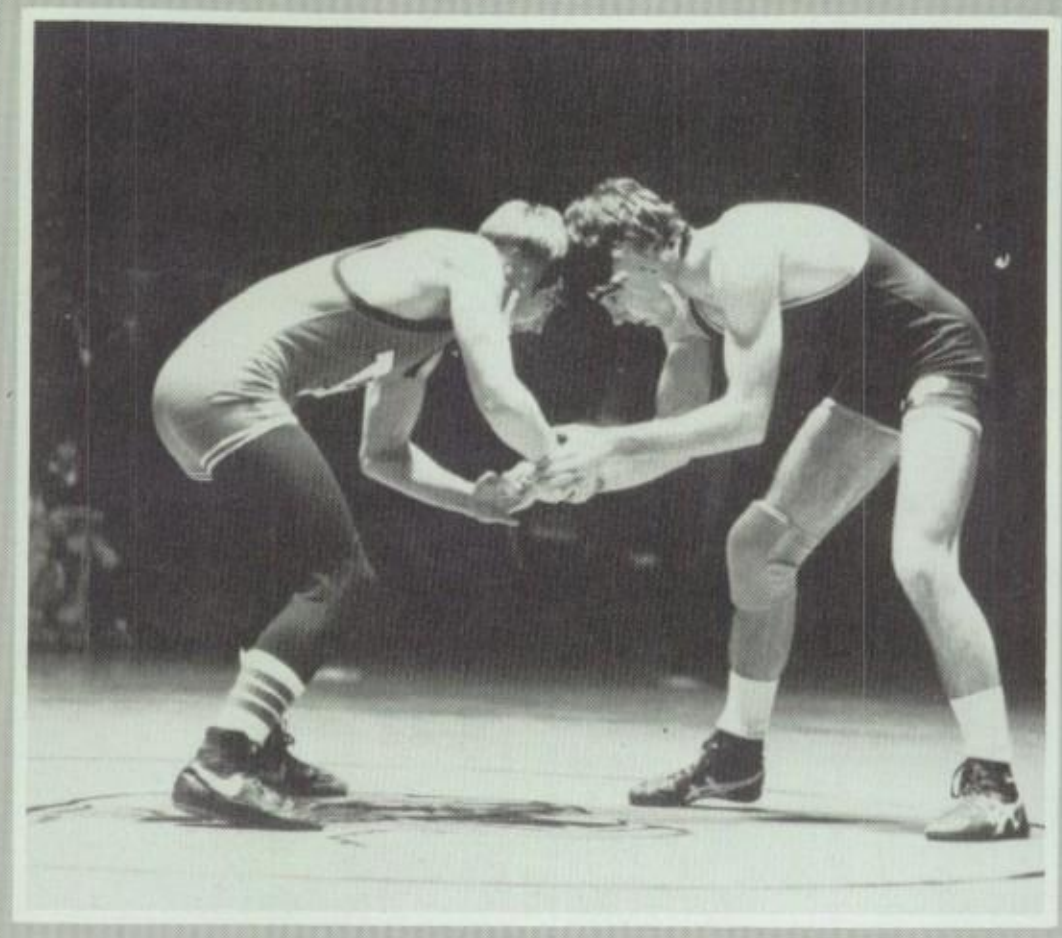
WRESTLER'S WIN WITH SUCCESSFUL SEASON

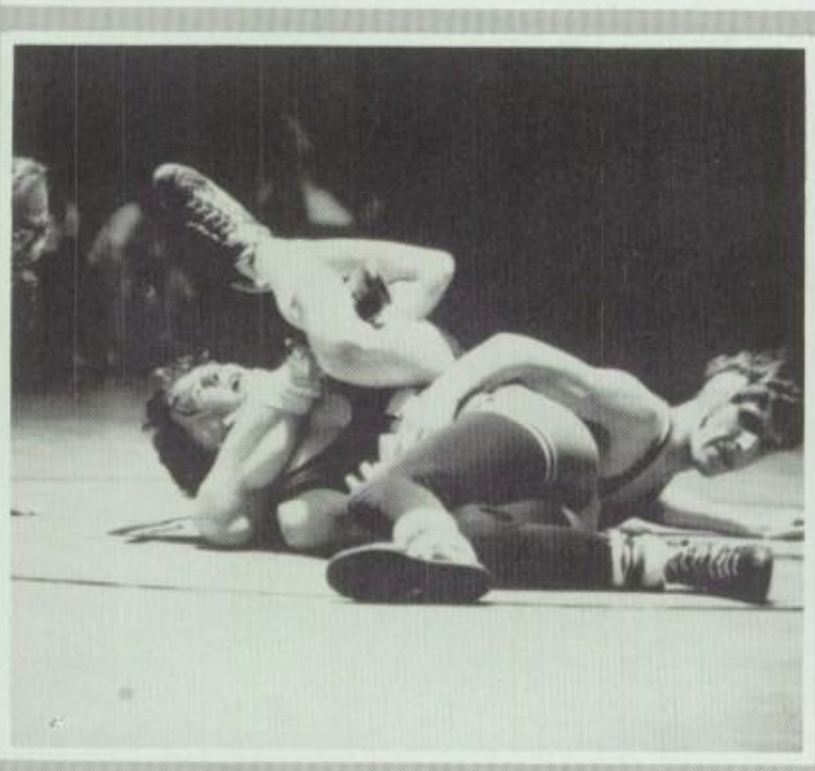
Wrestling 81-82

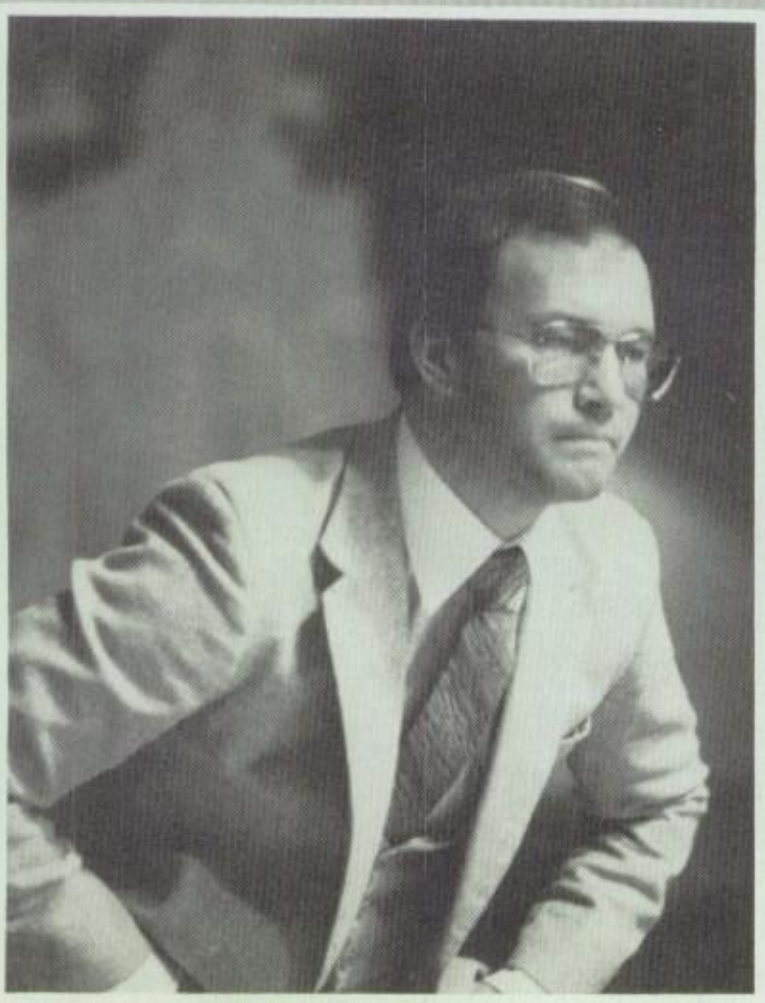
This year's squad vastly improved as the season went along. Graduating three state qualifiers and returning no conference points, the wrestlers relied on underclassmen to lead the way. And lead the way they did as Buzz Wincheski a freshmen became Oswego's first freshmen state qualifier with a record of 20-8-1 and finished in the top 8 of state with a 3-2 record in Champaign. Junior Jim Etheridge 22-10 record and 8 pins was a dynamo on the mats.

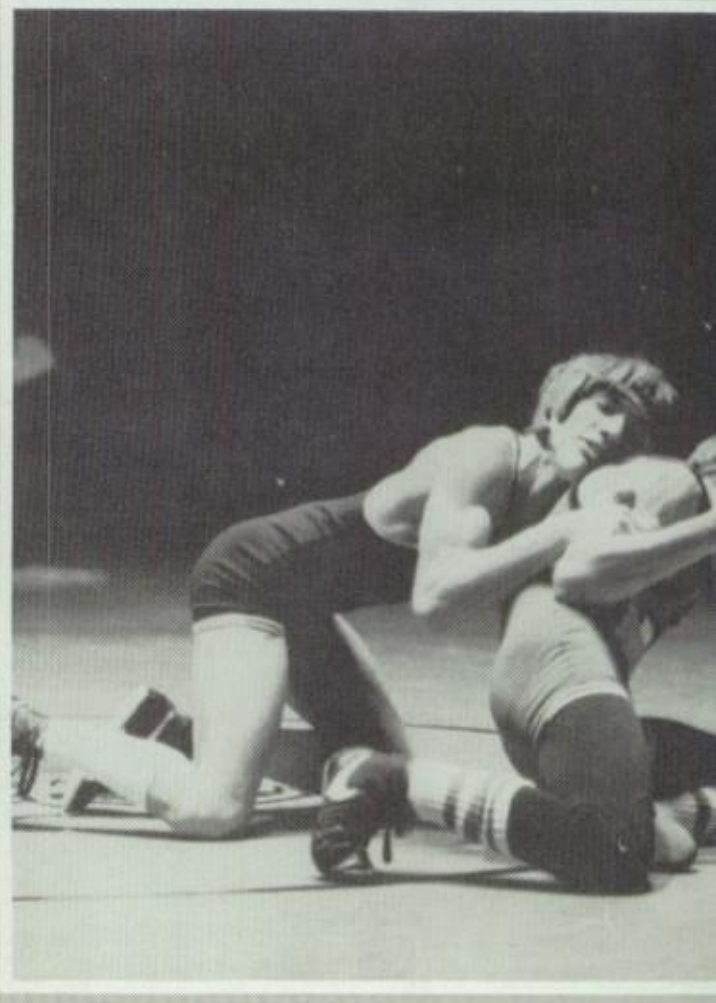
Injuries played a big part of the first Coach Sammons' losing season of 6-12. Joe Mehlmann, senior, missed 2½ months of the season with a broken jaw. Buzz Wincheski also missed one month, as well as Mike Way, a junior and senior Al Journey. Sophomore Bennett West 10-8 came up to the Varsity in January and kept his spot and advanced to the Sectionals before becoming eliminated. Joe Mehlmann finished as Conference Champ and a record of 8-3-1 and district runnerup. Senior Dan Olszewski 12-10; Junior Tom Schlosser 15-12-1; and Senior Ed Sharp 12-11-2 all earned winning records. Rounding out the varsity squad was Brad Blocker, Junior, Mike Watts, Junior, Rob Granger, Junior, Darren Pryor, Junior, Mike Way, Junior, Wade Walters, Senior, Greg Hartman, Senior, and Brad Hann, Senior.

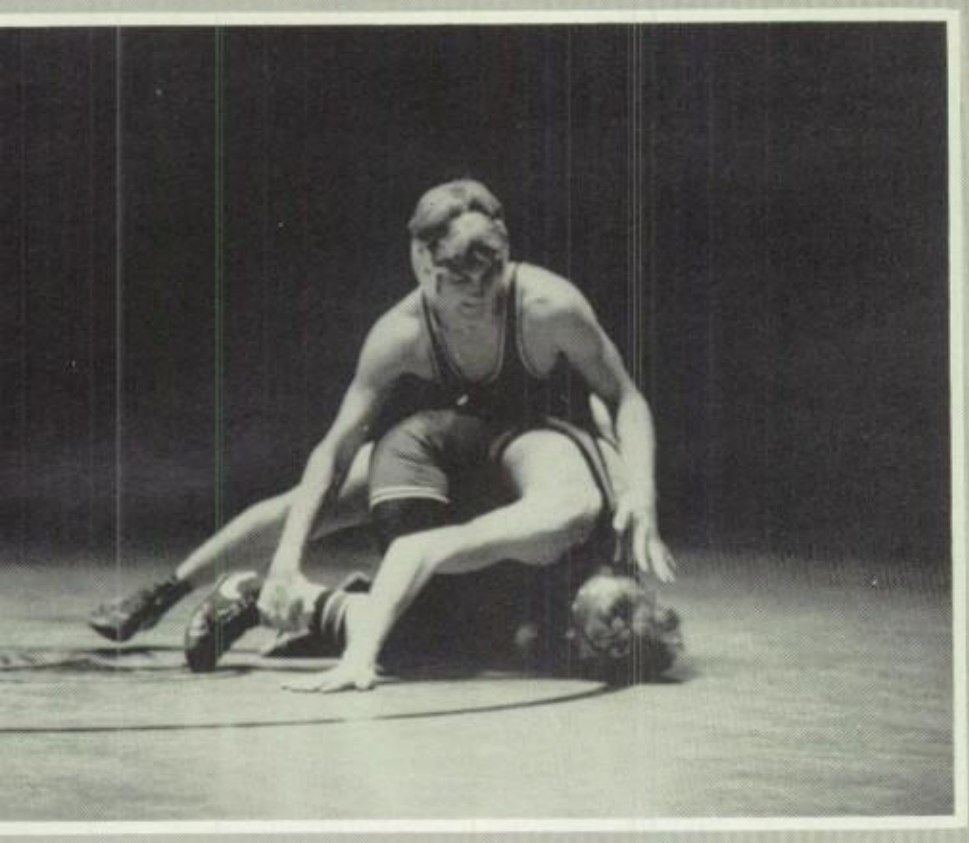
With a fine nucleus of Juniors and a very good sophomore team the 82-83 Wrestling Panthers will be a team to reckon with. 8 yr. record Coach Sammons 96-46-1 overall with conference 43-12-1. This year's squad wrestled a murderous schedule as 10 of the top 20 state ranked teams went head to head with our wrestlers.

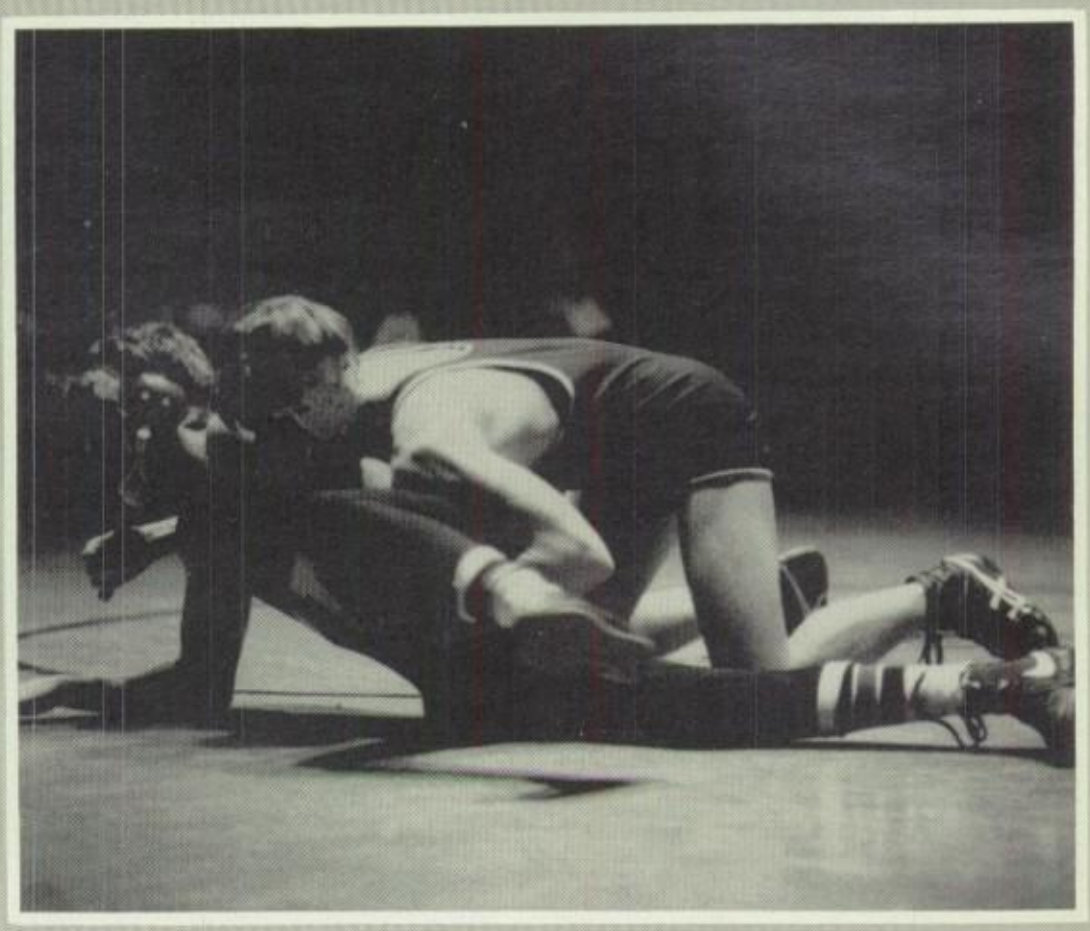


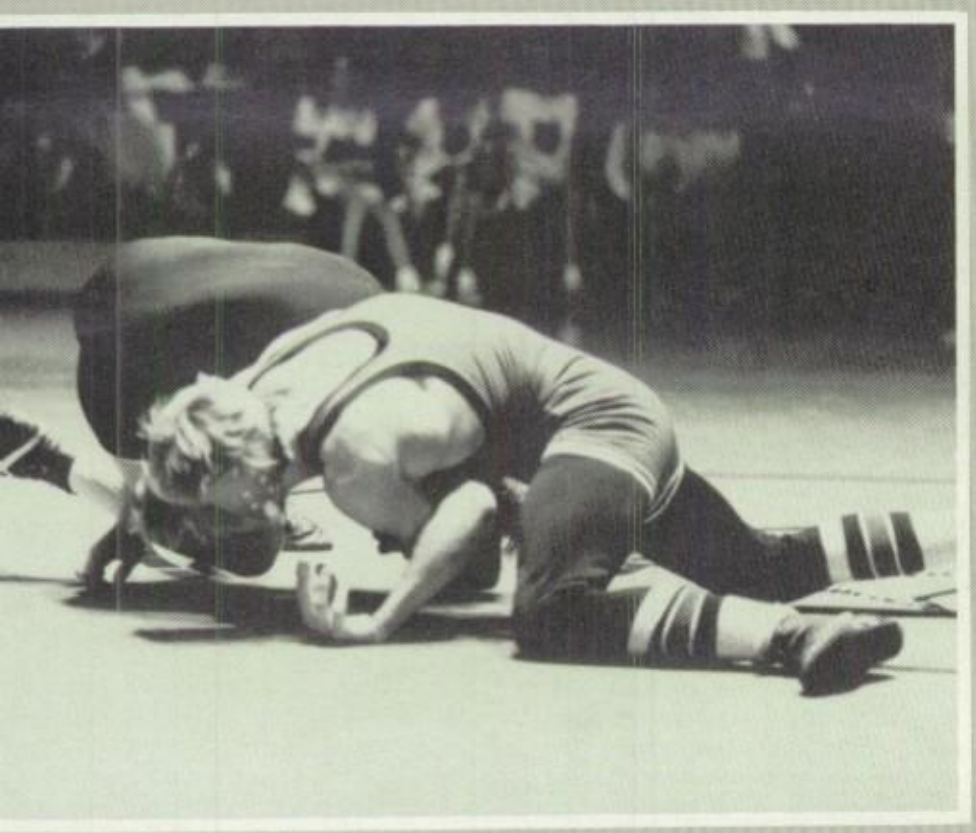


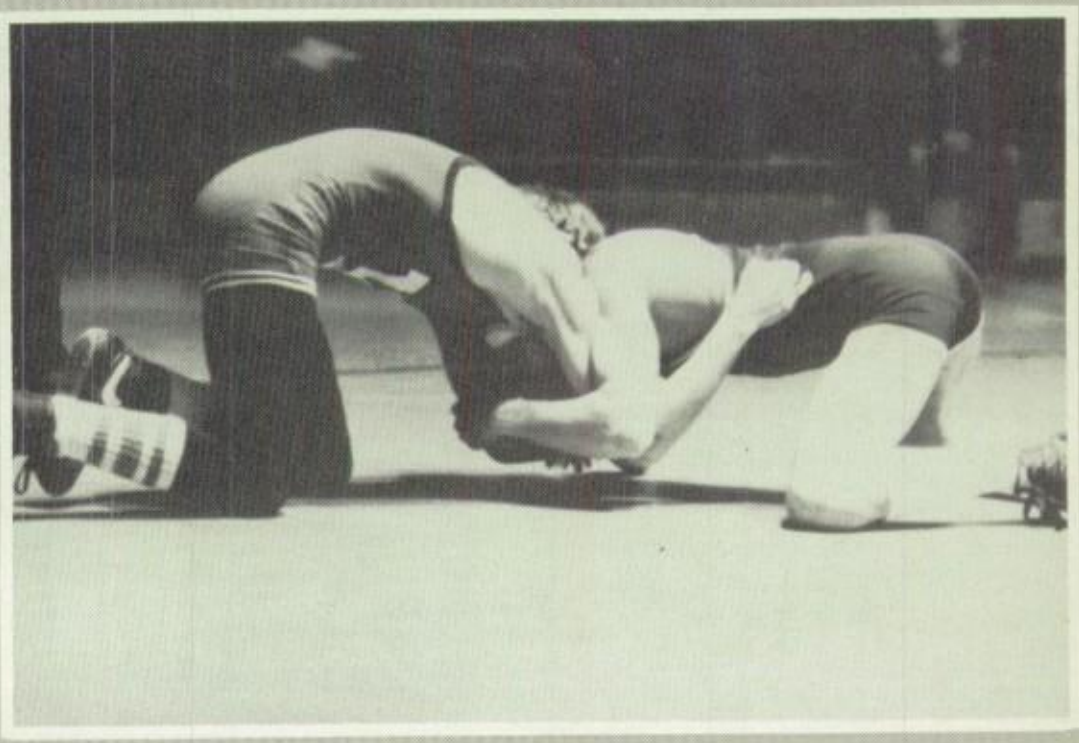


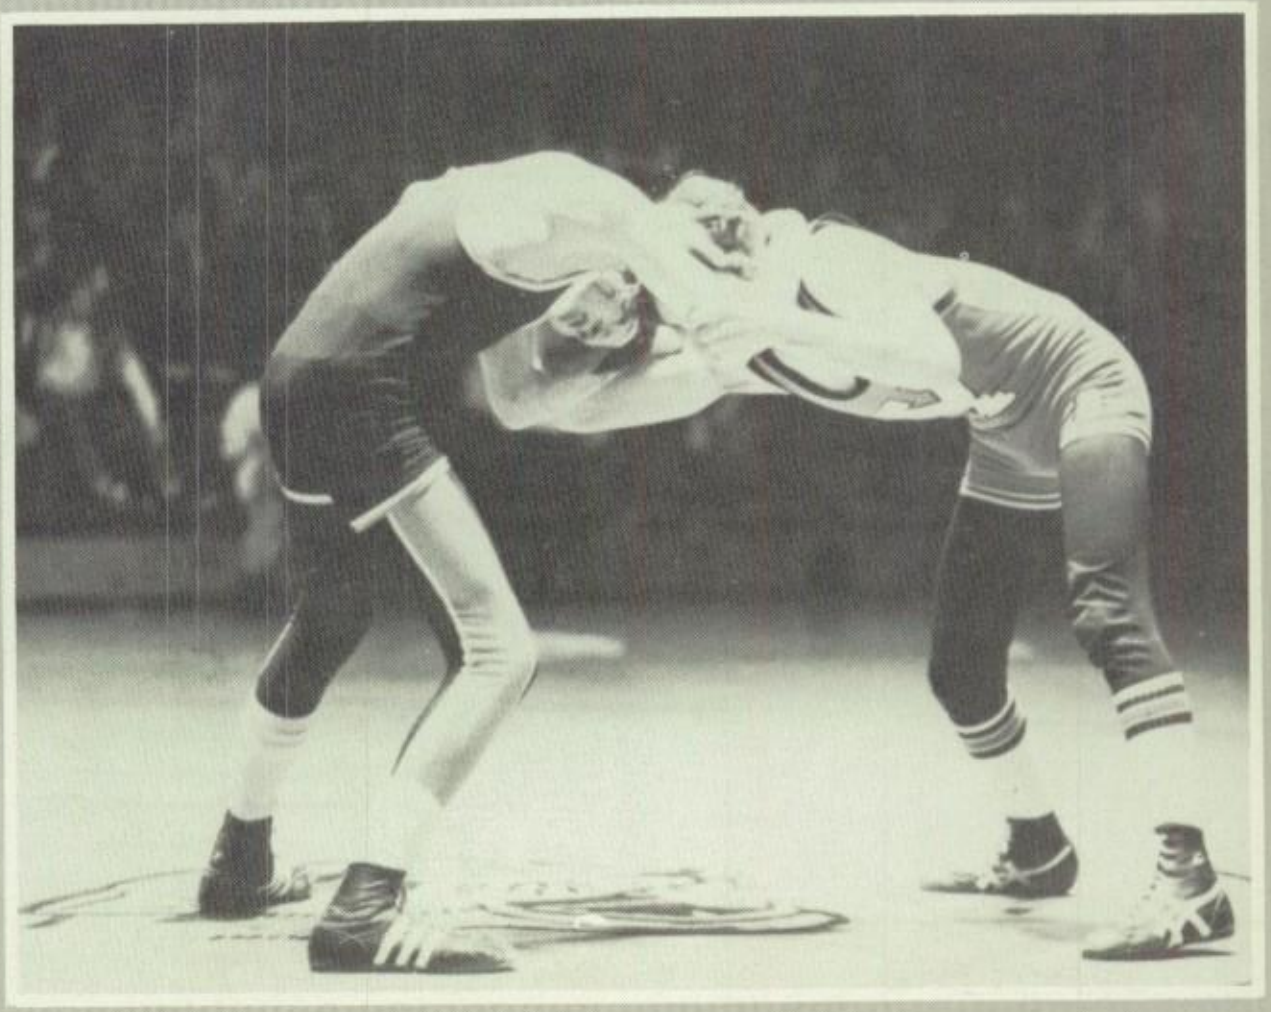












GRAPPLER'S GRAB GREAT SEASON

The Sophomore Wrestling Team had a fine season with a record of 9 wins and 3 losses. In tournaments, the Panthers finished 5th at the Naperville Invitational and put out an outstanding performance at the Conference Tournament with a second place finish. Mike Schimpf was selected Most Valuable Wrestler, John Kupchinskas Team Leader, and Arthur Couch Most Improved.

GIRLS SLUG THEIR WAY TO THE TOP

This year's varsity softball eam again had another success- ul year finishing second in the Iampshire Regional and third in onference with a 9-4 conference ecord. Overall the team's record as 15-5 bringing them to a three ear record of 49-18. The team as conprised of two seniors, ten niors, and two sophomores. his year's most valuable player nd captain was Kelly Reidy, and he most improved player was eth Moake. Unanimous all con- erence selections were infielders elly Reidy, senior, and Beth de, junior. Second team selec- ons went to catcher Tammy erando, junior, and pitcher Beth oake, junior. The outlook for ext year is bright as twelve layers are returning which hould continue to keep the soft- all team the strongest girls' eam at Oswego both in confer- nce and regional competition.

The Freshman-Sophomore irls finished the season with an verall record of 12-4. They were -4 in the Conference, taking hird place. This was a building ear for the team as there were ine freshmen and only four ophomores. The team worked ard to gain knowledge and ex- erience in order to become an ven stronger team for next year.

ORGANIZATIONS

Mr. Elko, Health teacher here at OHS, recently had a life-size skeleton painted on his wall in his room. Shown here are the girls who painted the skeleton: Amy Vandenburg, Michelle Vaghy, and Michelle Ables. These girls were all Sophomores at OHS. It took them a week and a half after school for an hour each evening to complete the work. It was finished in the fall of '81. (1)

This year, on December 9th, the Survey of Home Economic classes and the Intermediate Clothing Classes participated in a Style Show for Home Economics Night at the high school. Several girls, some shown here, modeled the garments they sewed themselves. (2,3,4,5)

Jr./Sr. Leaders is a school and community service organization. The leaders take a one-year course to learn knowledge, strategies, and skills in all physical education activities. Leadership skills are learned and practiced by assisting the teachers in gym classes. (6,7)

Students in the Home Economics Related Occupations program are enrolled in high school classes part of the day and are employed in the community for part of the day in occupations in the areas of early childhood education, food services, clothing services, and housing. Classroom learnings include world of work skills and attitudes, consumer economics, individualized learnings in specific areas, and experiences in working in a group. Students in the class are also involved in HERO club. They have service projects, money-making pojects, and social activities throughout the year. The year culminates with a gathering in honor of the students' employer-supervisors. (8)

The Health Occupations students have completed a tremendous year of learning experiences at Copley Hospital and Mercy Center for Health Care Services in Aurora. Under the supervision of Mrs. Elaine Hettrich, R. N., they have worked as assistants in nursing, physical therapy, laboratory, and x-ray with coordinated classes at school. The entire class plans to pursue a career in a health field after graduation. (9)

This year, the Building Trades house was located at 90 Long Beach Road in the Boulder Hill Subdivision. In September 1981, the Building Trades classes began construction on the sight provided by the Board of Education. The Home-Ec classes made the decisions relative to interior paint and carpeting colors. The Agriculture classes planned and planted the landscaping. Initiated twelve years ago, the Building Trades program offers practical trade and vocational experience to students at Oswego High. (10,11,12,13)

Industrial Cooperative Education is a program designed to provide vocational training on a part-time pre-apprenticeship basis for students interested in pursuing a career in industrial occupations concerned with the production and servicing of consumer goods. Students attend school on campus for half a day and a job site for the second half of the day, where they receive actual on-the-job training in their chosen industrial career area. This year students received training as printers, drafters, auto mechanics, machinists, and metal fabricators. (14)

Mathletes is one of the most successful teams here at OHS, yet most students know very little about it. In the fall, math students sign up for the Conference Competition for specific mathematical topics. If there are more than the maximum number of students signed up for a topic, a "run-off," or mini-competition, is held between the students to determine who will go to the Conference Meet.

All eight schools of the LSC are represented at the Conference Meet, and Oswego has come away with the 1st Place Trophy ten years in a row under the leadership of Mr. Drinkall and Mrs. Williams. For the past two years, the Mathletes have participated in the State Contest, and they are hoping to establish a similar reputation on the state level as well.

On Thursday, March 25 the O.H.S. band left for Nashville, Tenn. for their annual band trip. The band played two concerts the first day; one at Danville, Il., and one at Paris, Il. They spent that night at Bowling Green, Ky. and played another concert at the Bowling Green Junior High the following morning. After a tour of Mammouth Cave and The Hermitage, they enjoyed a spaghetti dinner at the Spaghetti Factory in downtown Nashville. The next day was spent at Opryland Amusement Park. After enjoying a day full of rides and shows, that evening the band attended the Grand Ole Opry. Before returning home they viewed a replica of the Greek Parthenon located in Nashville. Arriving home at the high school, everyone agreed that they had had an all-around "good time."

Good Evening, tonight we are leaving the safe world of high school to venture into the real world as adults. It is both scary and exciting. It is particularly frightening for the Class of '82 because of the problems in the world today.

Looking through a recent issue of **Time** magazine, one could find articles on war in the Falkland Islands, the nuclear arms race, martial law in Poland, tension in the Mideast, 9.4% national unemployment, and a story on the trial of the man who attempted to assasinate President Reagan. The next day in the paper one could read about the attack on the Pope, the second such incident in a year. It appears to be a bleak world that the Class of '82 is confronted with. The problems seem to be getting bigger everyday, to the point of being impossible to solve. Yet we have the power to change these things. In the year 2001, we will be 36 years old. We will be the corporate presidents, teachers, doctors, politicians, and parents of the next century. We are the leaders of the 21st century and we **can** change things for the better. I don't claim to know all of the answers — but by working together our generation can lead the world into a period of peace and prosperity.

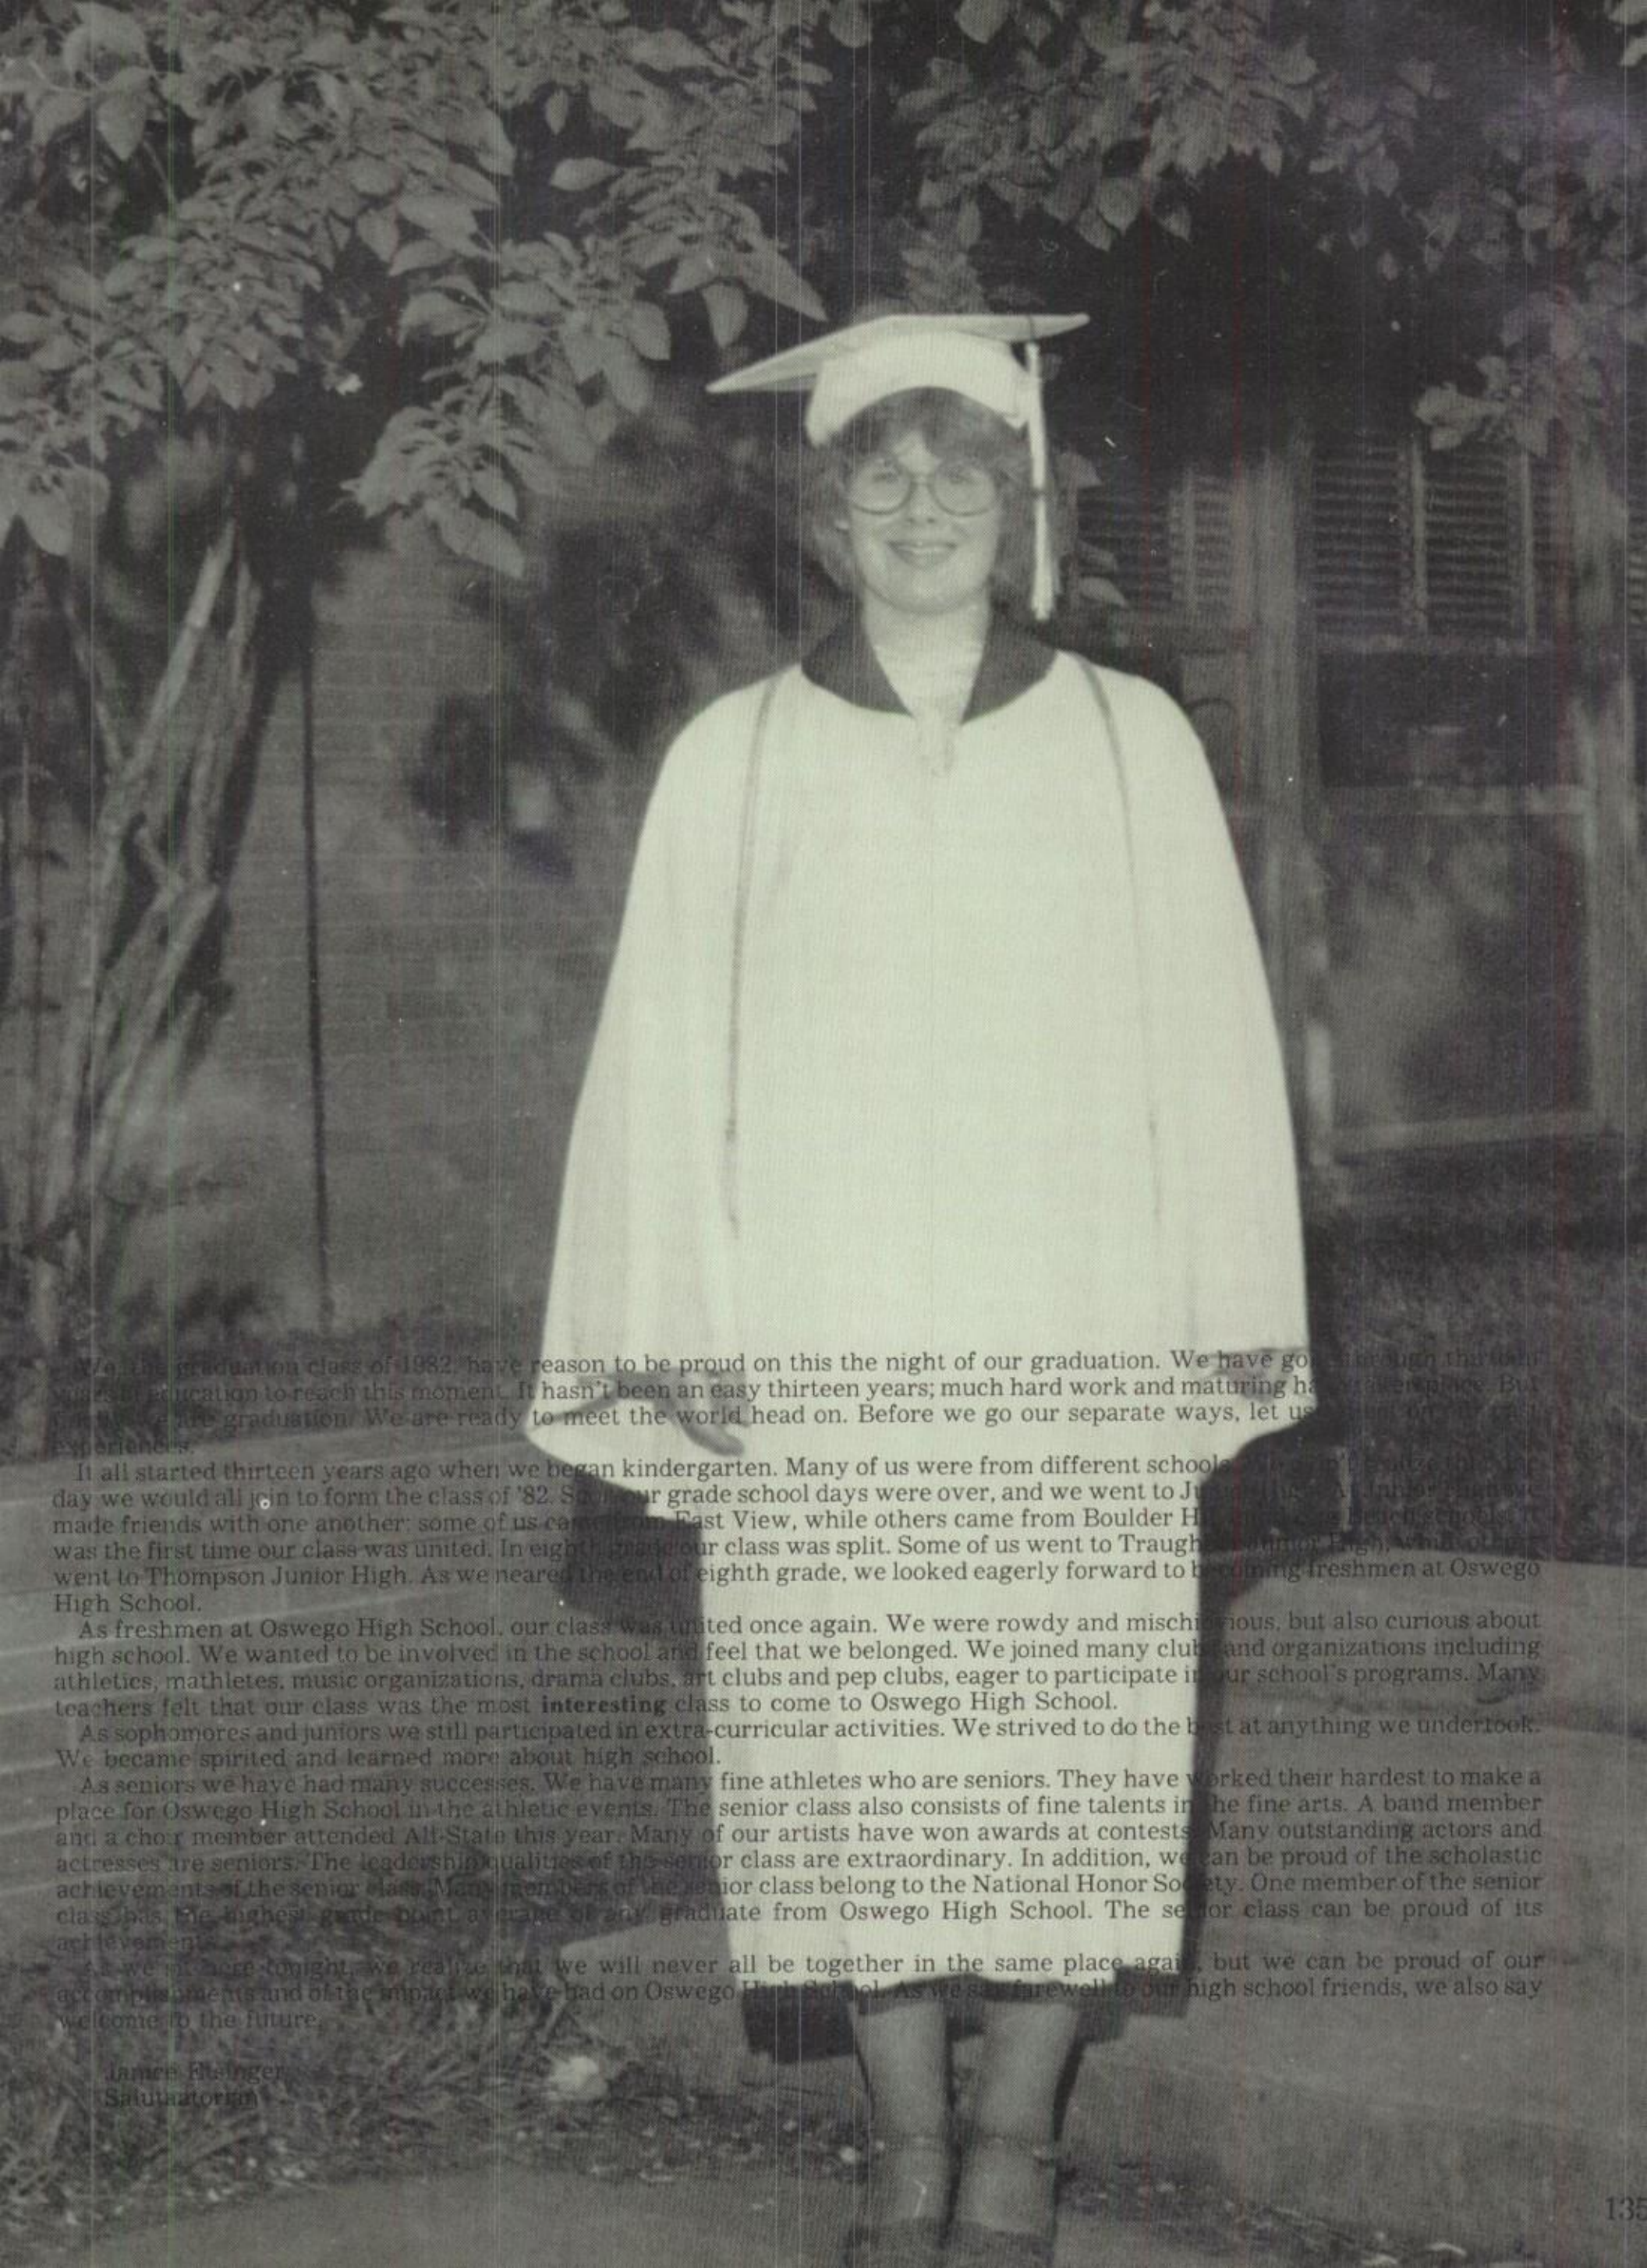
On a personal level, each of us is confronted with the problem of finding a job in the economy today. Jobs are hard to find, yet each one of us knows that we will make it and become a success. It is important that we feel this way, because when we do, chances are that we **will** make it and we **will** be successful.

Each of us wants this success, but it is different to each one of us. To some, success may be a doctorate degree, to others, success is staying home and raising a family. To still others, success is doing both of these things, having a career and raising a family. One thing we should all remember is that it doesn't matter how much money one has or how well-known he is, as long as he recognizes what his goals in life are and has either reached them, or is constantly striving to do so. This means constantly doing the best that one can do. It is also important to set new goals once other goals have been reached.

In order to set goals, each one of us must determine what we want from life and then set out to achieve that. This decision is very personal and individual and should not be influenced by anything but one's own feelings. Since our goals are all different, we will go about achieving them in many different ways. In the immediate future some of us may be going on to college, vocational school, or the military, while others of us will be getting jobs or getting married. Yet all of us have the same basic goal of happiness and success. This may sound idealistic to some, but I feel that it is better for the youth of today to be optimistic instead of feeling that there is no future.

One thing we all must remember is that each one of us here tonight is a success because we have all reached our goal of graduating from high school. It is now time for us to make new goals for the future. Thank you.

Carol DeVoe
Valedictorian



We, the graduation class of 1982, have reason to be proud on this the night of our graduation. We have go[illegible] through thirteen years of education to reach this moment. It hasn't been an easy thirteen years; much hard work and maturing ha[illegible] taken place. But tonight we are graduation. We are ready to meet the world head on. Before we go our separate ways, let us [illegible] on our experiences.

It all started thirteen years ago when we began kindergarten. Many of us were from different schools [illegible] day we would all join to form the class of '82. S[illegible] our grade school days were over, and we went to Ju[illegible] Junior. There we made friends with one another: some of us came from East View, while others came from Boulder H[illegible] was the first time our class was united. In eighth grade our class was split. Some of us went to Traugh[illegible] went to Thompson Junior High. As we neared the end of eighth grade, we looked eagerly forward to b[illegible] freshmen at Oswego High School.

As freshmen at Oswego High School, our class was united once again. We were rowdy and mischi[illegible]ous, but also curious about high school. We wanted to be involved in the school and feel that we belonged. We joined many clubs and organizations including athletics, mathletes, music organizations, drama clubs, art clubs and pep clubs, eager to participate in our school's programs. Many teachers felt that our class was the most **interesting** class to come to Oswego High School.

As sophomores and juniors we still participated in extra-curricular activities. We strived to do the best at anything we undertook. We became spirited and learned more about high school.

As seniors we have had many successes. We have many fine athletes who are seniors. They have worked their hardest to make a place for Oswego High School in the athletic events. The senior class also consists of fine talents in the fine arts. A band member and a choir member attended All-State this year. Many of our artists have won awards at contests. Many outstanding actors and actresses are seniors. The leadership qualities of the senior class are extraordinary. In addition, we can be proud of the scholastic achievements of the senior class. Many members of the senior class belong to the National Honor Society. One member of the senior class has the highest grade point average of any graduate from Oswego High School. The senior class can be proud of its achievements.

As we sit here tonight, we realize that we will never all be together in the same place again, but we can be proud of our accomplishments and of the impact we have had on Oswego High School. As we say farewell to our high school friends, we also say welcome to the future.

A special "thank you" to the above students, alumni, faculty, staff and community members that have given financial support to make our Booster Page a success.

STAFF CREATES YEARBOOKABILITY

1982 **Reflector** Staff (left to right): Row 1: Kelli Wright, Carol DeVol, Joy Llanes, and JoAnn Pleskovich. Row 2: Lynn Polit Jill Richmond, Kathy Brightbill, Lisa Stallman, Holly Hearn, and Mrs. Clay, Advisor. Row 2: Gary DeMont, Jeff Wolfra Tracy Peterson, Darrin Hummel, Terri Schopp, Vern Patterson, and Christine Torres.

Reflector Photographers: Seated: JoAnn Pleskovich. Standing: Darrin Hummel, Vern Patterson, Gary DeMont, and Jeff Wolfram.

Reflector Editors: Seated: Lynn Politte (Co-editor), Tracy Peterson (Co-edit and Kathy Brightbill (Co-editor). Standing: Kelli Wright (Editor).

Traditionally, this page has been set aside for the editor to thank the people who were involved with yearbook and anyone else she may want to give special thanks to. I go along with customs and traditions too, so I would like to thank the entire 1982 Yearbook staff, and my advisor, Mrs. Clay. We all worked very hard and were very dedicated in our job of putting this year's book together. It's worth the frustration and worrying, however, when we see our finished product. I would also like to thank the teachers and staff of OHS for their patience and help during the school year.

As I write this, I feel terribly sad that our (Class of '82) high school years are over. It seems as though our Senior year just began a few months ago. For the most part, though, I think all of us are happy and satisfied about our four years here at OHS.

A person always wishes his life away by saying things like, "I wish I was older," "I wish I was out of school," and "I hope this year goes fast." I'm sure we all did this, but now we "wish" we had more time to spend with each other before going our separate ways.

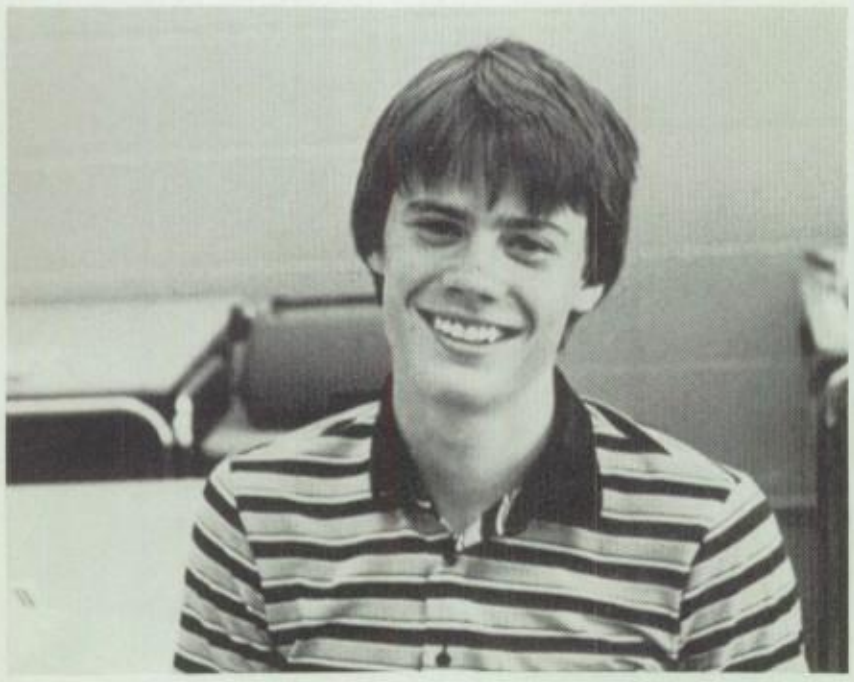
Just this last year it seems the Class of '82 finally came together, and each person got to know so many more of his/her classmates. We should have done it sooner, but I guess it took us a little longer than usual. Maybe realizing that this was our last year together made it happen, but I'm sure we are all glad it did. "Thanks" to all my old friends and new friends. You mean a lot to me, and you always will.

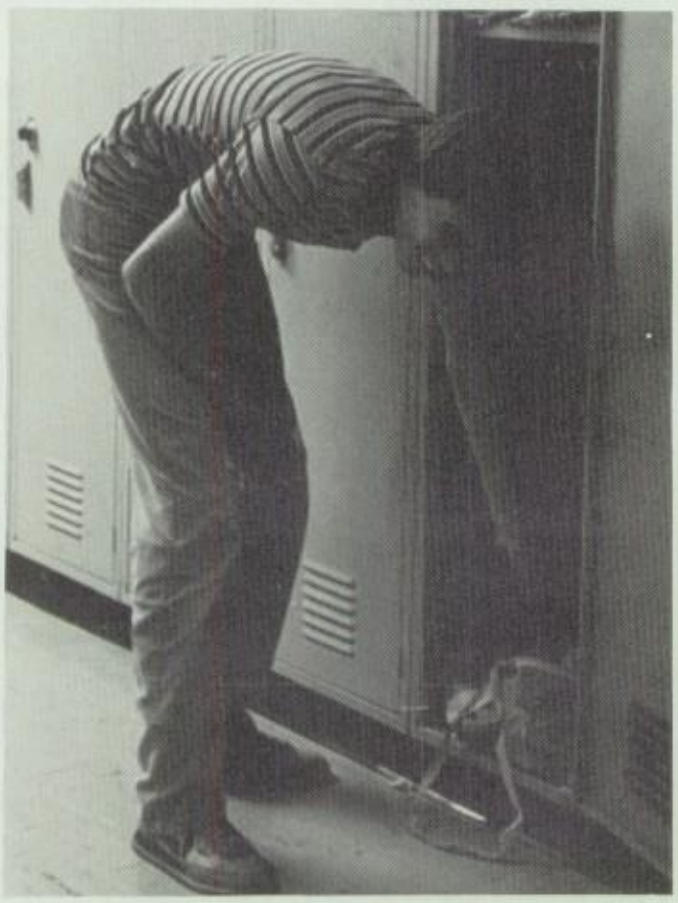
I found something to put on this page that sums up how I feel about graduating and how I'm sure a lot of the Class of 1982 feels. Here it is:

"Our world . . . a world enhanced by friendships, feelings, emotions, and knowledge. With each day, we see a different world . . . a world mixed with aspects of new relationships and attitudes. With this world we come face to face with life. We see life as it is to us. We share the moments of victory and the moments of defeat. We remember the times of hope and of despair. We grow together and become one. We encounter the sensation of living a life with friends . . . and ourselves. We take our world with us as it aids in confronting the new and unknown world ahead."

To The Class of 1982: I wish you success and satisfaction in life, but most of all, I wish you happiness.

Kelli Wright
Yearbook Editor





This year OHS had a foreign exchange student from Sweden. This was his first time in America, so we interviewed him to get his thoughts about the U. S., and to find out what he liked about our country and things that will always remain after he goes home.

When Jan was asked what his favorite foods here in America were he replied that he liked Arby's sandwiches, and he hated to admit it, but hamburgers were high on the list, too. His favorite hobbies are tennis, golf, basketball, and track. He was on the Boy's Track Team this Spring, competing in the 2-mile relay, the high jump, and the long jump.

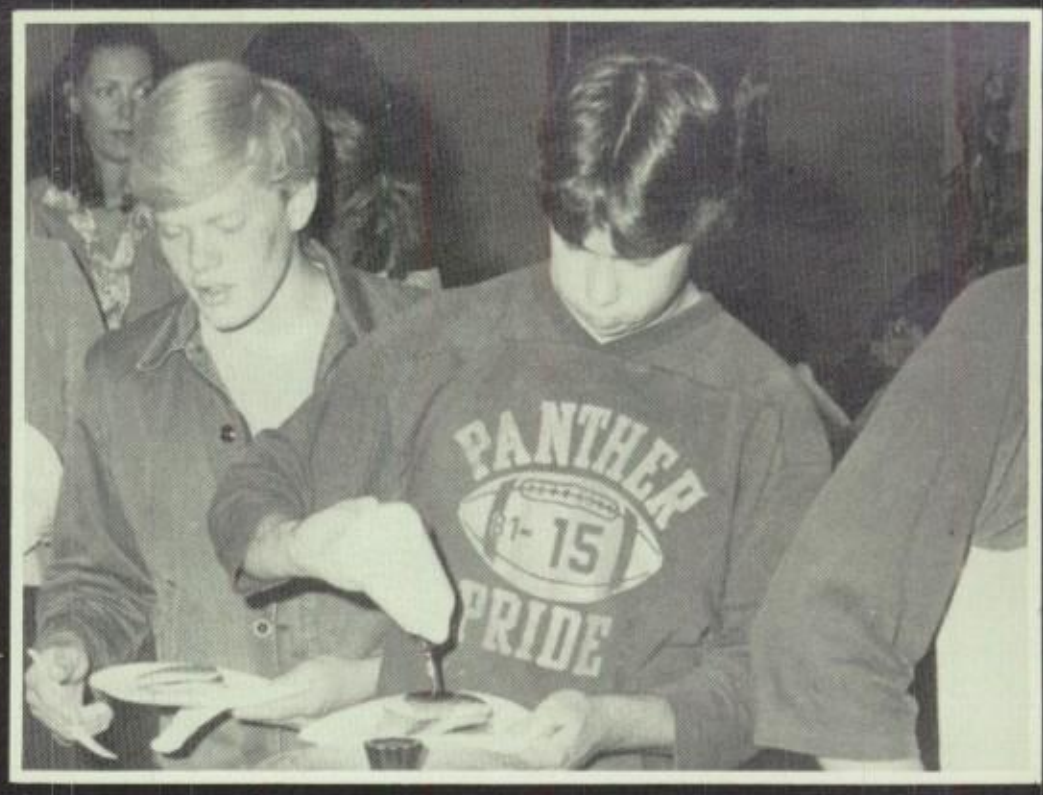
When asked what his favorite movie was he said, "This will be embarrassing for my reputation, but I saw Porky's!" His favorite or most liked singing groups are Foreigner and the Beatles. His special songs are "Lights" by Journey and "Juke Box Hero" by Foreigner.

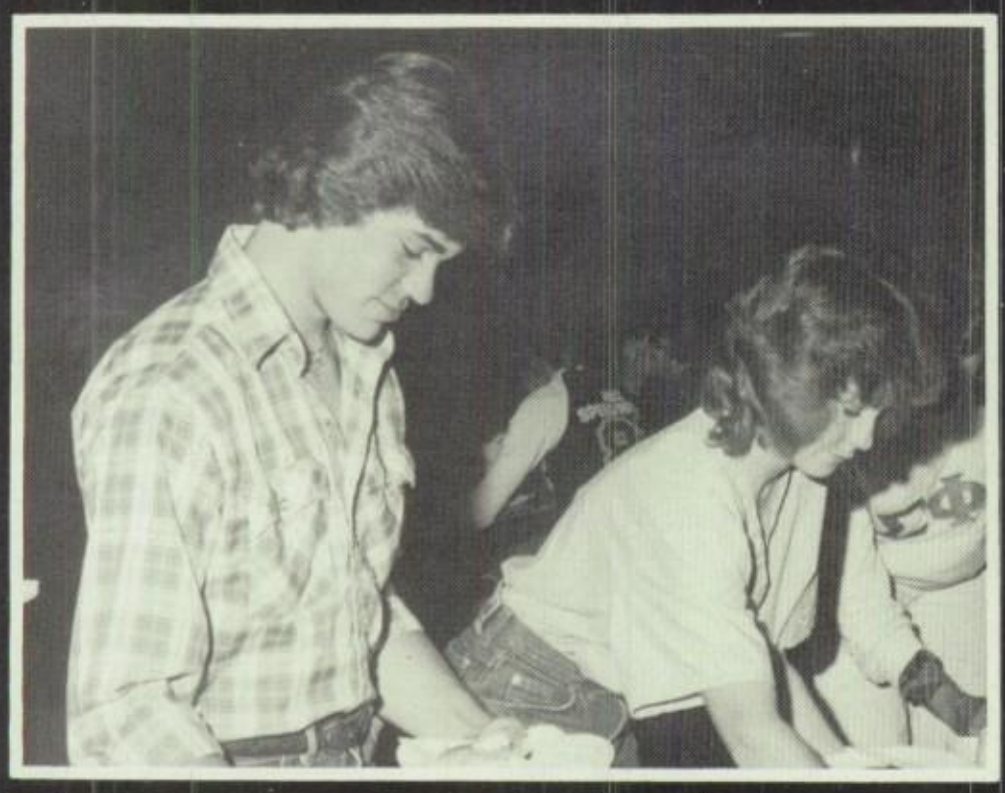
He feels that OHS has many nice teachers and a lot of nice people. When asked if he made lots of new friends here he said that he hoped he did. His most liked class was typing because he said he learned so much in it.

When Jan goes home in July of '82, he will have to continue two more years of high school. His future plans are to pursue a career that requires traveling to the United States.

Finally, Jan was asked if he had anything else to say. His reply was: "I'm real grateful to my friends in the United States and my family in the United States. I owe them a lot." He would like to give special thanks to John Rot and Ed Kral because they were two of his first friends here at OHS.

Jan's address is:
Jan-Erik Ringertz
Kanalvägen 10 F
S-19144 Sollentuna
Sweden





This page contains pictures of the first Annual Senior Breakfast held Friday morning June 4. The Senior Class would like to thank the following mothers for making the breakfast a delicious reality: Mrs. Detzler, Mrs. Figgins, Mrs. Jenkins, and Mrs. McEachern.

Kathy,
You're a great
person. Thanks for
helping me through my
(squirrely) freshman year.
